

HP ProDisplay P203 20-inch Monitor

Get essential presentation features and advanced connectivity for your HP Pro PC or notebook with the HP ProDisplay P203 20-inch Monitor, a sleek display for your everyday business productivity at a highly affordable price point.

Fabulous front-of-screen

- Enjoy crisp, clear HD color for all of your content on the 20-inch diagonal screen with 1600 x900 resolution, 5 ms response time, and 1000:1 contrast ratio.¹

High-speed connectivity and HD imagery

- Experience stunning HD picture quality, ultra-fast graphics refresh, and vivid colors from the DisplayPort™ connection, which also supports multiple display connections from a single PC. Get legacy device compatibility from the VGA connector.

Create an efficient, easy-to-use workspace

- Attach your HP Desktop Mini, HP Chromebox or select HP Thin Client directly behind the display.² Keep things tidy with an integrated power supply and cable management features.

Be energy smart

- Reduce power consumption and help lower your costs with an intelligent, energy-efficient, low halogen³ design that is ENERGY STAR® and TCO certified and EPEAT® Gold registered.⁴

Featuring

- Deploy this Global Series display across your business. It has a stable product lifecycle, minimum one-year lifespan, and is available around the world.
- Free up valuable desk space with mounting options⁵ enabled by the 100-mm VESA pattern, including the HP Adjustable Dual Display Stand, which holds two displays in a single-stand footprint.
- Customize a total solution with options⁵ designed for your display.
- Design the screen for how you work with HP Display Assistant software, which enables screen partitioning and helps deter theft by deactivating a display that's disconnected without approval.
- Rest assured that your IT investment is supported by a three-year standard limited warranty. Add HP Care services⁶ to extend your protection beyond the standard limited warranties.
