

HP ProBook 640 G3 Notebook PC

Get the most from your investment with configurations that support today's technology and legacy devices. The HP ProBook 640 is equipped with the newest security and productivity features and is compatible with your existing IT investments.

HP recommends Windows 10 Pro.

Blend new features with proven technology

- Simplify deployment of new PCs with the HP ProBook 640 that easily integrates into your current IT structure. Optional optical drives² and legacy ports like a standard VGA port and RJ-45 connection help reduce the costs of upgrading your PCs.

Mobilize your workforce

- Give your deskbound workforce the benefits of mobility without sacrificing performance or breaking the budget with 7th Gen Intel® Core™ i3/i5/i7 processors², expansive DDR4 memory, and peripherals like the HP UltraSlim dock³.

HP exclusive security and manageability

- Help prevent data breaches and downtime with HP BIOSphere Gen3⁴ and self-encrypting or FIPS Certified Drives⁵. Simplify management with HP configuration across the globe, available in more than 180 countries where HP conducts business.

Collaborate on the go

- Business doesn't stop when you are away from the office. HP Noise Cancellation Software, HP Audio Boost, Skype for business⁵, and a 720p webcam are collaboration tools that help you communicate clearly with colleagues.

Featuring

- Be productive in any situation. Experience the new features of Windows 10 Pro¹ on the powerful, touch³ optional HP ProBook 640.
- Powerful 7th Gen Intel® Core™ i3/i5/i7 processors² and configurable options let you deploy the right configuration based on user's needs.
- Replace batteries less often and quickly recharge your HP ProBook 640 with an HP fast charging battery. You'll get up to 90% battery life in just 90 minutes of charging⁶.
- Help suppress ambient noise including keyboard clicks with HP Noise Cancellation software.
- HP Audio Boost balances loudness and clarity, and enhances bass for improved speech quality.
- Keep productivity high and downtime low with the fully integrated and automated features of the HP BIOSphere Gen3⁴ firmware ecosystem. Your PCs have extra protection thanks to automatic updates and security checks.
- Stand up to the workload with a ProBook that is designed to pass MIL-STD 810G testing⁷.

Communications	Intel® Ethernet Connection I219-LM 10/100/1000; Intel® Ethernet Connection I219-V 10/100/1000
Expansion Slots	1 SD (Supports SD, SDHC, SDXC)
Ports and Connectors	1 USB Type-C™; 2 USB 3.0 (1 charging); 1 RJ-45; 1 docking connector; 1 headphone/microphone combo jack; 1 4.5 mm AC power connector; 1 DisplayPort™; 1 VGA (Cables are not included.)
Input Device	HP Premium Spill-resistant Keyboard with Touchpad and drain; HP Premium Spill-resistant Backlit Keyboard with Touchpad and DuraKeys with drain; HP Premium Spill-resistant Backlit Keyboard with Dual Point and DuraKeys with drain Touchpad with on/off button, two-way scroll, taps and gestures enabled, two-finger scrolling, two finger zoom (pinch)
Camera	720p HD webcam (optional) ⁵
Available Software	HP Mobile Connect Pro (models with Windows 10); HP 3D DriveGuard 6 (Windows required); HP ePrint Driver+JetAdvantage; HP Hotkey Support; HP Recovery Manager; HP Support Assistant; HP Noise Cancellation; Buy Office; Bing Search; Skype ¹⁴
Security Management	HP Client Security; Security lock slot (lock must be purchased separately); HP Password Manager; HP Secure Erase; Integrated smart card reader (active); Absolute Persistence Module; Preboot Authentication; HP Fingerprint Reader (select models); TPM 2.0; HP BIOSphere ^{18,19,20,26}
Management Features	HP Driver Packs; HP SoftPaq Download Manager (SDM); HP System Software Manager (SSM); HP BIOS Config Utility (BCU); HP Client Catalog; HP Management Integration Kit for Microsoft System Center Configuration Manager; LANDESK Management ^{16,17,21}
Power	45 W Smart AC adapter; 45 W Smart AC adapter 2-prong; 65 W HP Smart AC adapter; 65 W EM Smart AC adapter; 90 W Smart adapter ¹²
Battery Type	HP 3-cell, 48 Wh Long Life Li-ion ¹¹
Dimensions	34 x 23.7 x 2.7 cm
Weight	Starting at 1.95 kg (Weight varies by configuration and components)
Energy Efficiency Compliance	ENERGY STAR® certified; EPEAT® Gold ²⁵
Warranty	HP Services offers 3-year and 1-year limited warranties and 90-day support options depending on country. Batteries have a default one year limited warranty. On-site service and extended coverage is also available. HP Care Pack Services are optional extended service contracts that go beyond the standard limited warranties. To choose the right level of service for your HP product, use the HP Care Pack Services Lookup Tool at: http://www.hp.com/go/cpc . ²²

HP ProBook 640 G3 Notebook PC

Recommended Accessories and Services

HP UltraSlim Docking Station

Designed exclusively for ultraslim HP EliteBook Notebook PCs, the HP UltraSlim Docking Station expands display, network, and device connectivity so you can be more productive throughout the day—all through a simple one-click slide-in side dock.

Product number: D9Y32AA

HP Business Backpack

Keep your notebook and everyday essentials comfortably close at hand with the stylish and durable HP Business Backpack.

Product number: H5M90AA

HP 65W Slim AC Adapter

Be productive with the HP Slim 65W Combo Adapter, which can power your HP Business Notebook or Ultrabook™.

Product number: H6Y82AA

HP 90W Slim AC Adapter

Be productive with the HP Slim 90W Combo Adapter, which can power your HP Business Notebook or Ultrabook™.

Product number: H6Y83AA

HP Conferencing Keyboard

Drive your Microsoft Lync voice and video calls directly from your HP Conferencing Keyboard and connect, disconnect, and manage your calls and videoconferencing settings with simple dedicated keys¹.

Product number: K8P74AA

HP 3-year Travel Next Business Day Low End Notebook Only Hardware Support

This HP services offers notebook users on the go prompt, reliable coverage in major geographies of the world, for 3 years. For more information on Care Pack services, please visit www.hp.com/go/cpc.

Product number: UC909E

Messaging Footnotes

- ¹ Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers, software or BIOS update to take full advantage of Windows functionality. Windows 10 is automatically updated, which is always enabled. ISP fees may apply and additional requirements may apply over time for updates. See <http://www.windows.com>.
- ² Multicore is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. Intel's numbering is not a measurement of higher performance.
- ³ Sold separately or as an optional feature.
- ⁴ HP BIOSphere Gen3 features may vary depending on the PC platform and configurations.
- ⁵ Skype for business subscription required.
- ⁶ Recharges the battery up to 90% within 90 minutes when the system is off or in standby mode when used with the power adapter provided with the notebook. After charging has reached 90% capacity, charging speed will return to normal. Charging time may vary +/- 10% due to System tolerance.
- ⁷ MIL-STD testing is pending and is not intended to demonstrate fitness for U.S. Department of Defense contract requirements or for military use. Test results are not a guarantee of future performance under these test conditions. Damage under the MIL STD test conditions or any accidental damage requires an optional HP Accidental Damage Protection Care Pack.

Technical Specifications Footnotes

- ¹ Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers, software or BIOS update to take full advantage of Windows functionality. Windows 10 is automatically updated, which is always enabled. ISP fees may apply and additional requirements may apply over time for updates. See <http://www.windows.com>.
- ² NeoKylin Linux® 64 is available for China only.
- ³ Multicore is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. Intel's numbering is not a measurement of higher performance.
- ⁴ Processor speed denotes maximum performance mode; processors will run at lower speeds in battery optimization mode.
- ⁵ HD content required to view HD images.
- ⁶ AMD Dynamic Switchable Graphics technology requires an Intel processor, plus an AMD Radeon™ discrete graphics configuration and is not available on FreeDOS and Linux OS. With AMD Dynamic Switchable Graphics technology, full enablement of all discrete graphics video and display features may not be supported on all systems (e.g. OpenGL applications will run on the integrated GPU or the APU as the case may be).
- ⁷ Due to the non-industry standard nature of some third-party memory modules, we recommend HP branded memory to ensure compatibility. If you mix memory speeds, the system will perform at the lower memory speed.
- ⁸ For hard drives and solid state drives, GB = 1 billion bytes. Actual formatted capacity is less. Up to 30 GB (for Windows 10) of system disk is reserved for the system recovery software.
- ⁹ DVD-Writer does not support DVD RAM. Don't copy copyright protected materials.
- ¹⁰ Some devices for academic use will automatically be updated to Windows 10 Pro Education with the Windows 10 Anniversary Update. Features vary; see <https://aka.ms/ProEducation> for Windows 10 Pro Education feature information.
- ¹¹ Battery is internal and not replaceable by customer. Serviceable by warranty.
- ¹² Availability may vary by country.
- ¹⁴ HP ePrint Driver requires an Internet connection to HP web-enabled printer and HP ePrint account registration (for a list of eligible printers, supported documents and image types and other HP ePrint details, see www.hp.com/go/eprintcenter).
- ¹⁶ HP Client Catalog not preinstalled, coming soon at <http://www.hp.com/go/clientmanagement>
- ¹⁷ LANDESK Management subscription required.
- ¹⁸ HP BIOSphere available only on business PCs with HP BIOS.
- ¹⁹ Secure Erase for the methods outlined in the National Institute of Standards and Technology Special Publication 800-88.
- ²⁰ Absolute agent is shipped turned off, and will be activated when customers activate a purchased subscription. Subscriptions can be purchased for terms ranging multiple years. Service is limited, check with Absolute for availability outside the U.S. The Absolute Recovery Guarantee is a limited warranty. Certain conditions apply. For full details visit: <http://www.absolute.com/company/legal/agreements/computrace-agreement>. Data Delete is an optional service provided by Absolute Software. If utilized, the Recovery Guarantee is null and void. In order to use the Data Delete service, customers must first sign a Pre-Authorization Agreement and either obtain a PIN or purchase one or more RSA SecurID tokens from Absolute Software.
- ²¹ HP SoftPaq Download Manager (SDM); HP System Software Manager (SSM); HP Microsoft Integration Kit for Microsoft System Center Configuration Manager: Not preinstalled, however available for download at <http://www.hp.com/go/clientmanagement>.
- ²² HP Care Packs are sold separately. Service levels and response times for HP Care Packs may vary depending on your geographic location. Service starts on date of hardware purchase. Restrictions and limitations apply. For details, visit www.hp.com/go/cpc. HP services are governed by the applicable HP terms and conditions of service provided or indicated to Customer at the time of purchase. Customer may have additional statutory rights according to applicable local laws, and such rights are not in any way affected by the HP terms and conditions of service or the HP Limited Warranty provided with your HP Product.
- ²³ NOTE: In accordance with Microsoft's support policy, HP does not support the Windows 8 or Windows 7 operating system on products configured with Intel and AMD 7th generation and forward processors or provide any Windows 8 or Windows 7 drivers on <http://www.support.hp.com>.
- ²⁴ 32 GB DDR4-2133 SDRAM is planned to be available in the second quarter of 2017.
- ²⁵ EPEAT® registered where applicable. EPEAT registration varies by country. See www.epeat.net for registration status by country. See HP's 3rd party option store for solar energy accessory www.hp.com/go/options.
- ²⁶ Lock must be purchased separately.
