

# HP EliteBook 725 G4 Notebook PC

Designed for the modern workforce, the cost-effective ultrathin HP EliteBook 725 helps drive performance with impressive productivity features that allow you to stay connected and collaborate at your best.

HP recommends Windows 10 Pro.

## **Elevated performance. Enhanced productivity.**

Unleash the full potential of your applications with 6th generation or new high-performance 7th generation AMD PRO APUs<sup>2</sup> with up to Radeon™ R7 integrated graphics.

## **Incredibly thin and impressively featured**

Stay portable without having to carry adapters. Connect via VGA, Display Port™, Ethernet, USB, USB-C™, and enterprise docking capabilities, all on an 18.9mm ultrathin and light design.

## **Security and management made simple**

HP Sure Start with Runtime Intrusion Detection<sup>3</sup> protects the PC and helps ensure uninterrupted productivity by automatically detecting and recovering from BIOS corruption or attacks. Manage the fleet with HP Touchpoint Manager<sup>4</sup> and DASH manageability<sup>5</sup>.

## **Next-level collaboration**

Calls and media are loud and clear letting you collaborate effectively with expertly tuned Audio by Bang & Olufsen, HP Audio Boost, HP Noise Cancellation, and premium speakers.

- Power through your day with Windows 10 Pro<sup>1</sup> and the powerful, sleek, thin, light, and touch optional HP EliteBook 725.
- HP Sure Start with Runtime Intrusion Detection<sup>3</sup> monitors in-memory BIOS, recovers the platform without user or admin intervention, restores the BIOS to a custom state, and is enterprise ready for centralized management.
- Improve the quality and security of custom Windows images with HP Image Assistant which assists ITDMS with image creation, identifies problems, and provides recommendations and remediation.
- The HP Manageability Integration Kit<sup>6</sup> helps speed up image creation and management of hardware, BIOS, and security through Microsoft System Center Configuration Manager.
- Get up to 50% battery life in just 30 minutes of charging<sup>7</sup> with and HP fast charging battery.
- HP Audio Boost balances loudness and clarity, and enhances bass for improved speech quality.
- Suppress background noise including keyboard clicks with HP Noise Cancellation Software.
- HP WorkWise<sup>8</sup> is office intelligence rolled into one smartphone app.

## HP EliteBook 725 G4 Notebook PC Specifications Table

|                                   |   |

Batteries have a default 1-year limited warranty which will have same 1-year limited warranty as the platform. Optional HP Care Pack Services are extended service contracts which go beyond your standard limited warranties. To choose the right level of service for your HP product, use the HP Care Pack Services Lookup Tool at: <a href="http://www.hp.com/gp/cpc">http://www.hp.com/gp/cpc</a> . Restrictions and limitations apply. Consult the HP Customer Support Center for details: <a href="http://h20000.www2.hp.com/bizsupport/TechSupport/ProductRoot.jsp">http://h20000.www2.hp.com/bizsupport/TechSupport/ProductRoot.jsp</a> |

## HP EliteBook 725 G4 Notebook PC

### Accessories and services (not included)

#### HP UltraSlim Docking Station

Designed exclusively for ultraslim HP EliteBook Notebook PCs, the HP UltraSlim Docking Station expands display, network, and device connectivity so you can be more productive throughout the day—all through a simple one-click slide-in side dock.

**Product number: D9Y32AA**

#### HP Slim Professional Top Load Case

The HP Slim Ultrabook Top Load—a stylish, durable, and compact carrying case built for your Ultrabook™. A black twill fabric accented with gray plaid combines form and function to help protect your hardware and give you a polished appearance.

**Product number: F3W15AA**

#### HP Ultra Mobile Wireless Mouse

Low-profile, long-life, and designed for comfort.

Here's the long-life wireless mouse that's so compact you can toss it in your carrying case without bulking out its profile, so power-smart it keeps up with your work day, and so comfortable you'll look for reasons to use it.

**Product number: H6F25AA**

#### HP 65W Slim AC Adapter

Be productive with the HP Slim 65W Combo Adapter, which can power your HP Business Notebook or Ultrabook™.

**Product number: H6Y82AA**

#### HP Hot Desk Stand

Redefine workspace design with the HP Hot Desk Stand, a ready-to-go touchdown station that supports a monitor and plug-and-play dock, enhances productivity, and provides a clean and comfortable workspace for your mobile and flexible workforce at an affordable price.

**Product number: W3Z73AA**

#### HP Hot Desk 2nd Monitor Arm

Be even more efficient when you add a second display up to 32" diagonal to your HP Hot Desk solution with the HP Hot Desk 2nd Monitor Arm.

**Product number: W3Z74AA**

#### HP 3 Year Next Business Day Onsite Hardware Support W/Accidental Damage Protection

### Care Pack

When hardware issues do come up, the sooner you can get running again, the better. Have expertise at the ready with HP Hardware Next Business Day Onsite Service with Accidental Damage Protection, and vastly improve your product uptime. With high-quality remote assistance or convenient onsite support available the next business day, help is there when you need it—so you can get back to work.

**Product number: J1C282E (for 1 year platforms), tUC279 (for 3 year platforms)**

## Messaging Footnotes

- <sup>1</sup> Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers, software or BIOS update to take full advantage of Windows functionality. Windows 10 is automatically updated, which is always enabled. ISP fees may apply and additional requirements may apply over time for updates. See <http://www.windows.com>.
- <sup>2</sup> AMD PRO A12 APU is an optional feature. Multicore is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. AMD's numbering is not a measurement of clock speed.
- <sup>3</sup> Available on HP EliteBook products equipped with AMD 7th generation APUs
- <sup>4</sup> HP Touchpoint Manager requires purchase of a subscription and supports Android™, iOS and Windows 7 or higher operating systems and PCs, notebooks, tablets and smartphones from various manufacturers. Not available in all countries see [www.hp.com/touchpoint](http://www.hp.com/touchpoint) for availability information.
- <sup>5</sup> Third party management software is sold separately. Dash certified and enterprise manageability qualified to work with MS SCCM and LANDesk.
- <sup>6</sup> HP Manageability Integration Kit is planned to be available first quarter 2017 and can be downloaded from <http://www8.hp.com/us/en/ads/clientmanagement/overview.html>.
- <sup>7</sup> Recharges your battery up to 50% within 30 minutes when the system is off or in standby mode. Power adapter with a minimum capacity of 65 watts is required. After charging has reached 50% capacity, charging speed will return to normal. Charging time may vary +/-10% due to System tolerance.
- <sup>8</sup> HP WorkWise smartphone app will soon be available as a free download on the App Store and Google Play.

## Technical Specifications Footnotes

- <sup>1</sup> Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers, software or BIOS update to take full advantage of Windows functionality. Windows 10 is automatically updated, which is always enabled. ISP fees may apply and additional requirements may apply over time for updates. See <http://www.windows.com>.
- <sup>2</sup> Note: Some devices for academic use will automatically be updated to Windows 10 Pro Education with the Windows 10 Anniversary Update. Features vary; see <https://aka.ms/ProEducation> for Windows 10 Pro Education feature information.
- <sup>3</sup> This system is preinstalled with Windows 7 Professional software and also comes with a license and media for Windows 10 Pro software. You may only use one version of the Windows software at a time. Switching between versions will require you to uninstall one version and install the other version. You must back up all data (files, photos, etc.) before uninstalling and installing operating systems to avoid loss of your data.
- <sup>4</sup> Multicore is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. AMD's numbering is not a measurement of clock speed.
- <sup>5</sup> Processor speed denotes maximum performance mode; processors will run at lower speeds in battery optimization mode.
- <sup>6</sup> Improved system performance when memory is added in pairs (dual channel). Due to the non-industry standard nature of some third-party memory modules, we recommend HP branded memory to ensure compatibility. If you mix memory speeds, the system will perform at the lower memory speed.
- <sup>7</sup> For storage drives, GB = 1 billion bytes. TB = 1 trillion bytes. Actual formatted capacity is less. Up to 30GB of system disk is reserved for system recovery software.
- <sup>8</sup> Sold separately or as an optional feature.
- <sup>9</sup> Wireless access point and Internet service is required and is not included. Availability of public wireless access points limited.
- <sup>10</sup> The term "10/100/1000" or "Gigabit" Ethernet indicates compatibility with IEEE standard 802.3ab for Gigabit Ethernet, and does not connote actual operating speed of 1 Gb/s. For high-speed transmission, connection to a Gigabit Ethernet server and network infrastructure is required.
- <sup>11</sup> Cables are not included.
- <sup>12</sup> Internet access required.
- <sup>13</sup> Sold separately or as an optional feature.
- <sup>14</sup> HD content required to view HD images.
- <sup>15</sup> Availability may vary by country.
- <sup>16</sup> HP Mobile Connect Pro is only available on preconfigured devices with WWAN. For geographic availability refer to [www.hp.com/go/mobileconnect](http://www.hp.com/go/mobileconnect)
- <sup>17</sup> HP ePrint Driver requires an internet connection to HP web-enabled printer and HP ePrint account registration (for a list of eligible printers, supported documents and image types and other HP ePrint details, see [www.hp.com/go/eprintcenter](http://www.hp.com/go/eprintcenter)).
- <sup>18</sup> Skype is not offered in China.
- <sup>19</sup> Not preinstalled, coming soon at <http://www.hp.com/go/clientmanagement>
- <sup>20</sup> LANDESK Management subscription required.
- <sup>21</sup> HP BIOSphere available only on business PCs with HP BIOS.
- <sup>22</sup> Secure Erase for the methods outlined in the National Institute of Standards and Technology Special Publication 800-88.
- <sup>23</sup> Absolute agent is shipped turned off, and will be activated when customers activate a purchased subscription. Subscriptions can be purchased for terms ranging multiple years. Service is limited, check with Absolute for availability outside the U.S. The Absolute Recovery Guarantee is a limited warranty. Certain conditions apply. For full details visit: <http://www.absolute.com/company/legal/agreements/computrace-agreement>. Data Delete is an optional service provided by Absolute Software. If utilized, the Recovery Guarantee is null and void. In order to use the Data Delete service, customers must first sign a Pre-Authorization Agreement and either obtain a PIN or purchase one or more RSA SecurID tokens from Absolute Software.
- <sup>24</sup> Opt in and internet connection required for updates.
- <sup>25</sup> HP Care Packs are sold separately. Service levels and response times for HP Care Packs may vary depending on your geographic location. Service starts on date of hardware purchase. Restrictions and limitations apply. For details, visit [www.hp.com/go/cpc](http://www.hp.com/go/cpc). HP services are governed by the applicable HP terms and conditions of service provided or indicated to Customer at the time of purchase. Customer may have additional statutory rights according to applicable local laws, and such rights are not in any way affected by the HP terms and conditions of service or the HP Limited Warranty provided with your HP Product.
- <sup>26</sup> HP Sure Start with Runtime Intrusion Detection available on HP EliteBook products equipped with AMD® 7th generation processors.
- <sup>27</sup> Windows 10 MM14 battery life will vary depending on various factors including product model, configuration, loaded applications, features, use, wireless functionality, and power management settings. The maximum capacity of the battery will naturally decrease with time and usage. See [www.bapco.com](http://www.bapco.com) for additional details.
- <sup>28</sup> HP WorkWise smartphone app will soon be available as a free download on the App Store and Google Play.
- <sup>29</sup> NOTE: Your product does not support Windows 8 or Windows 7. In accordance with Microsoft's support policy, HP does not support the Windows 8 or Windows 7 operating system on products configured with Intel and AMD 7th generation and forward processors or provide any Windows 8 or Windows 7 drivers on <http://www.support.hp.com>.
