

HP Chromebook 11 G5 EE

Elevate learning in and out of the classroom and empower students to think critically and work collaboratively with the HP Chromebook 11 EE. It's ready for class with interactive tools and a rugged design that includes co-molded rubber edges.

It gets high marks for durability

- Be prepared for daily bumps and dings with co-molded rubber edges and a keyboard resistant to minor spills in a Chromebook™ that is designed to pass MIL-STD 810G testing.¹

Touch is here

- Use the optional IPS touchscreen² to give students and educators access to a world of educational Android™ touch-enabled apps that are now compatible with the Chrome OS™.

Inspire learning through collaboration

- Collaborate easily with the optional wide-angle IPS touchscreen² and 180° hinge design that also helps reduce stress on the lid. Make the most of Google Hangouts and video interaction with noise suppression features that improve audio clarity.

Simplify deployments

- Speed, simplicity, security, and easy sharing are core subjects for the Chrome OS™, a low-maintenance, highly-manageable platform with automatic software updates and virus protection.
- Speed through work and assignments with an Intel® Celeron® processor³ that quickly launches apps, allows fast web browsing, and efficiently manages battery power.
- Select black or electric green models for easy color coding when managing classroom deployments and storing and charging in the optional charging cart.²
- Search, stream, and chat through every class with a long-life battery.
- Easily deploy, manage, and control users, devices, and apps on 10s, 100s, and even 1000s of HP Chromebooks with Google's optional web-based Chrome Management Console.²
- Take learning in new directions with optional Google Play for Education⁴, which includes thousands of innovative education apps and lesson content that are vetted by educators, instantly shareable, and easy to manage.

Recommended Accessories and Services

HP 3001pr USB 3.0 Port Replicator

Meet your go-to, platform-independent hot-desking solution for getting online and connecting to a single external display and up to three USB-connected devices.
Product number: F3S42AA

HP Essential Backpack

The HP Essential Backpack is a great notebook carrying solution for both students and business professionals.
Product number: H1D24AA

HP 45W Smart AC Adapter

Be productive throughout the day and keep an extra adapter on hand with the lightweight and versatile HP 45W Smart AC Adapter.
Product number: H6Y88AA

HP 65W Smart AC Adapter

Feed your notebook with controlled servings of electricity. HP's new 65W Smart AC Adapter regulates power and offsets electrical spikes, is designed to reduce cable stress, and includes a special dongle to support current and prior HP models – perfect for replacing your notebook's power adapter or as a needed back-up.
Product number: H6Y89AA

HP Slim USB Keyboard and Mouse

Work smart and maximize your workspace with the stylish HP Slim USB Keyboard and Mouse, designed to complement the 2015 class of HP Business PCs.
Product number: T6T83AA

HP 3-year Travel Next Business Day Notebook Only Service

This HP services offers notebook users on the go prompt, reliable coverage in major geographies of the world, for 3 years. For more information on Care Pack services, please visit www.hp.com/go/cpc.
Product number: UL653E

Messaging Footnotes

¹ MIL-STD testing is not final and is not intended to demonstrate fitness for U.S. Department of Defense contract requirements or for military use. Test results are not a guarantee of future performance under these test conditions. Damage under the MIL STD test conditions or any accidental damage requires an optional HP Accidental Damage Protection Care Pack.

² Sold separately or as an optional feature.

³ Multi-core is designed to improve performance of certain software products. Not all customers or software will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. Intel's numbering system is not a measurement of higher performance.

⁴ Google Play for Education is an optional App and requires an Internet connection.

Technical Specifications Footnotes

¹ Multicore is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. Intel's numbering is not a measurement of higher performance.

² For storage drives, GB = 1 billion bytes. TB = 1 trillion bytes. Actual formatted capacity is less. Up to 30 GB (for Windows 10) is reserved for system recovery software.

³ All cables are sold separately.

⁴ Wireless access point and Internet service required and sold separately. Availability of public wireless access points limited. The specifications for the 802.11ac WLAN are draft specifications and are not final. If the final specifications differ from the draft specifications, it may affect the ability of the notebook to communicate with other 802.11ac WLAN devices.

⁵ HD content required to view HD images.

⁶ Internet access required.

⁷ Resolutions are dependent upon monitor capability, and resolution and color depth settings.

⁸ Google Drive offer is tied to this device and is non-transferable. If this device is returned, the extra storage will be revoked. In order to redeem this offer, you will need to be on Chrome OS™ 23 or later. Internet access is required and not included. Additional information about storage plan refunds, renewals, cancellations and expiration is available at the Google website: <https://support.google.com/chromebook/answer/2703646?hl=en>

⁹ Lock slot cable not included.

¹⁰ HP Care Packs are sold separately. Service levels and response times for HP Care Packs may vary depending on your geographic location. Service starts on date of hardware purchase. Restrictions and limitations apply. For details, visit www.hp.com/go/cpc. HP services are governed by the applicable HP terms and conditions of service provided or indicated to Customer at the time of purchase. Customer may have additional statutory rights according to applicable local laws, and such rights are not in any way affected by the HP terms and conditions of service or the HP Limited Warranty provided with your HP Product.
