Accessories (not included)

HP 3D Structured Light Scanner Pro S2 - Dual Camera Upgrade Kit²

Make your scanning solution more robust and enhance its quality with complete stereo vision. Attach an optional second HP 3D Monochrome Camera Pro to mitigate errors and produce higher-precision scans.

HP 3D Automatic Turntable Pro³

Achieve 360° 3D scans faster with this optional turntable that automatically rotates an object and captures each side and surface.

HP 3D Desk Scan Lever Pro⁴

Secure the scanner directly to a desk or work area with this optional mounting upgrade.

¹A single scan speed varies depending on the object size and computer speed.

²HP 3D Structured Light Scanner Pro S3 – Dual Camera Upgrade Kit sold separately.

³HP 3D Automatic Turntable Pro sold separately.

⁴HP 3D Desk Scan Lever Pro sold separately.
