

Data sheet

HP Nano Master Keyed Cable Lock

Secure your device

Lock your notebook or tablet down in the office and high-traffic public areas by tethering it to a secure surface with the thin profile HP Nano Master Keyed Cable Lock, which includes individual user keys and a master key for easy access to all locks in the group.

Loop and lock

Wrap the 6 ft (1.83 m) vinyl-coated, galvanized steel cable around any secure object and attach to your notebook or tablet. Insert the key into the lock and turn clockwise 90 degrees.

Room to move

Use the 360-degree range to position the cable lock head as needed.

Rest easy

Get the reassurance of a one-year limited warranty.
