

Data sheet

HP Nano Dual Head Keyed Cable Lock

Durable dual locking

Secure your notebook or tablet and a dock, display or other hardware with the thin profile HP Nano Keyed Dual Head Cable Lock, which locks both devices to the lock and then a third fixed surface.

Pair and lock

Loop one end of the 6 ft (1.83 m) vinyl-coated, galvanized steel cable around any secure object and attach one lock to a notebook or tablet and the other to a dock, display or other device. Insert the key into the lock and turn clockwise 90 degrees.

Room to move

Use the 360-degree swivel to position the head as needed.

Rest easy

Get the reassurance of a one-year limited warranty.

Specifications
