Business-Class Printers

HP is widely recognised as a leader in innovative print technology. For the sixth year in a row and the seventh time since 2008, HP has captured BLI's Colour Printer/MFP Line of the Year award.

Buyers Laboratory, LLC gave HP an Outstanding Achievement in Innovation award for its use of NFC/Wi-Fi Direct to bring security and simplicity to mobile printing.

Safeguard your fleet of HP devices with the solution Buyers Laboratory, LLC calls trailblazing—HP JetAdvantage Security Manager.<sup>7</sup>

**HP JetIntelligence  
More. Pages, Performance, and Protection.**

Select new HP LaserJet devices come with Original HP Toner cartridges with JetIntelligence. Print more professional-quality pages than ever before,<sup>10</sup> count on peak printing performance every time, and get protection against counterfeits with innovative anti-fraud technology.

HP printers, MFPs and all-in-ones are easy to use and deliver crisp, brilliant prints. Choose from a broad portfolio of stylish, innovative products that help simplify the way work gets done. Get a great value with proven HP quality and reliability.

**The best choice in business printing**

HP offers a wide variety of devices to meet all types of business needs, whether you're telecommuting from your home office, managing a busy branch office, or running a large enterprise department. Rely on cost-effective, dependable devices from the brand you trust.

**Ease of use.** HP devices just work, with intuitive user interfaces and sleek, simple designs that fit right into your office environment. Installation is quick, with no product assembly required.

**Stunning print quality at blazing fast speeds.** Consistent, excellent output will make your business shine. HP LaserJets deliver crisp, clean text and print-shop quality colour. HP OfficeJets and PageWide devices produce professional colour documents that resist fading, water, and highlighter smears<sup>1</sup>—for a low cost per page.

**Great value.** HP devices are solidly built and reliable for the long haul, with competitive purchase prices and low operation costs. Some devices offer high-capacity cartridges for even more affordable printing.

**Simple HP JetAdvantage Mobile Print Solutions.**<sup>2</sup> Many HP devices are Mopria certified for easy printing from your smartphone, tablet, or laptop without a special app or software.<sup>3</sup> Some products come with award-winning peer-to-peer Wi-Fi Direct<sup>®</sup> printing and touch-to-print (NFC) technology.<sup>4</sup> You can add these capabilities to many existing devices with mobile printing accessories.

**HP's best-in-class security.**<sup>5</sup> HP Pro and Enterprise devices offer a variety of embedded security features and optional solutions to protect hardware and safeguard data. Defend your network with self-healing technologies that guard against complex security threats. Apply efficient, fleet-wide security policies to protect all your HP print devices with optional HP JetAdvantage Security Manager.<sup>6</sup>

**Innovative HP JetAdvantage Workflow Solutions.** Capture, store, access, and deliver the content you need—all while helping to reduce costs. The robust image preview feature and Quick Sets on HP Enterprise MFPs save time. Zoom in and inspect scanned jobs and add, delete, reorder, or rotate pages, right at the device. At the touch of a button, launch complicated workflows to a variety of destinations.

**Versatile HP JetAdvantage Management Solutions.** Many HP Pro products and all Enterprise products are supported by HP Web Jetadmin (WJA).<sup>8</sup> Improve fleet uptime by centrally monitoring and controlling devices—and assess and optimise usage with a variety of reporting tools. For simple one-to-one device management, use the HP Embedded Web Server (EWS). The HP Universal Print Driver (UPD) makes it easy to connect and print.<sup>9</sup>

**Features to help reduce environmental impact.** Many HP devices are Blue Angel and ENERGY STAR<sup>®</sup> certified and include energy-saving features such as Instant-on Technology and Auto-On/Auto-Off Technology.<sup>11</sup> Because HP OfficeJet and PageWide products have no fuser, they typically have low energy consumption.

**Select the right device**

The right imaging and printing product can save you time and help cut costs. Yet with all of the available HP devices, how do you choose? See [page 4](#) for questions to help you select devices for small and medium office, branch office, or home office. See [page 13](#) for questions to ask when choosing enterprise-class devices.

## How to select the right device for your small office

When choosing an HP device for a small or medium office, branch office, or home office, start by answering the following questions.

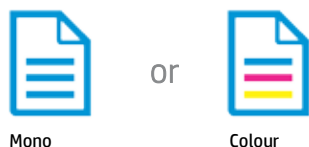

### USERS

#### How many users will print how many pages each month? Consider:

- The recommended number of users
- The recommended monthly page volume (RMPV)<sup>12</sup>
- The device's listed print speeds

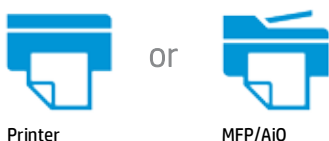

### TYPE OF DOCUMENTS

#### What kinds of documents do you primarily print?

- HP OfficeJet devices deliver professional everyday document quality at a low cost-per-page
- PageWide devices offer professional everyday documents at HP's lowest print operating costs,<sup>13</sup> along with phenomenal print speeds<sup>14</sup> and low energy consumption<sup>15</sup>
- HP LaserJets deliver print-shop quality output for impressive colour marketing materials
- Monochrome LaserJets offer HP's best value for black-only prints
- A4 devices support a variety of standard paper sizes; wide-format devices support documents up to A3
- HP OfficeJet Mobile printers and all-in-ones are compact and lightweight for easy printing or scanning on the go

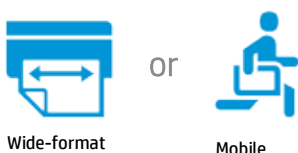

### FUNCTION

#### Do you need to scan, copy, or fax? Do you require document workflow or storage solutions?

- If you only need to print, choose an HP OfficeJet, LaserJet, or PageWide printer
- If you're looking for scanning, copying, and faxing capabilities, you need a multifunction product (MFP) or all-in-one (AiO)
- Devices with control panel business apps allow you to view and print directly from the Web
- HP OfficeJet Pro all-in-ones and LaserJet or PageWide Pro MFPs support core workflows, such as scanning to email or network folders—and some products support optional workflow solutions such as HP Quick Forms, HP Scan to Cloud, and eStorage such as Google™ Docs or Box.net

### SPECIALTY DEVICES

#### Do you need to share the device?

- Most HP devices offer Ethernet or wireless networking
- Support for mobile printing lets users print from their smartphone or tablet—easily print from a Mopria-certified device;<sup>3</sup> print on the go with HP ePrint;<sup>16</sup> print from an iPad, iPhone, or iPod touch with Apple AirPrint;<sup>17</sup> or choose Wi-Fi Direct, NFC touch-to-print, or Bluetooth® Low Energy for secure peer-to-peer wireless printing without connecting to the network<sup>4</sup>
- Devices with an easy-access USB offer quick printing from or scanning to a thumb drive

#### What kind of management and security support do you require?

- Networked devices can be individually managed via the HP Embedded Web Server (EWS)
- If you require remote management of core configuration and security options, choose a device that's supported by HP Web Jetadmin at the essential level<sup>8</sup>
- Increase security, cut costs, and restore control with cloud-based HP JetAdvantage Private Print<sup>18</sup>

## Detailed benefits comparison

The tables on the next several pages provide a quick overview of the HP OfficeJet, LaserJet, and PageWide products recommended for small and medium office, branch office, or home office in your region.

Single-function printers start on [page 5](#), with all-in-ones and MFPs starting on [page 8](#). Find wide-format devices on [page 11](#), and devices designed to be portable on [page 12](#).

For information about devices recommended for enterprise environments, please see [pages 13-20](#). See [pages 21-26](#) for at-a-glance summaries of all currently available products.

## How to select the right device for your enterprise

When choosing an imaging and printing product for your company's large work team, workgroup, or department, you should consider some additional questions.

### USERS

### TYPE OF DOCUMENTS

### FUNCTION

### MANAGEMENT

#### Consider devices designed for 3-10 users

Many of the HP OfficeJet, PageWide, and LaserJet Pro devices listed on [pages 7 and 10](#) are an excellent choice for small work teams or for remote branches in enterprise environments. They offer Pro level security and manageability at an affordable price.

#### How many users will print how many pages each month? Consider:

- The recommended number of users
- The recommended monthly page volume (RMPV)<sup>12</sup>

#### What kinds of documents do you primarily print?

- HP PageWide devices offer HP's lowest print operating costs<sup>13</sup> and lowest environmental impact,<sup>15</sup> while delivering professional everyday document quality at HP's fastest speeds<sup>14</sup>
- HP LaserJets deliver leading laser performance, with print-shop quality output for impressive colour marketing materials
- Monochrome LaserJets offer HP's best value for black-only prints
- A4 devices support a variety of standard paper sizes; wide-format devices support documents up to A3
- Enterprise finishing options may include mailboxes, stapling, hole-punching, or booklet-making

#### How sophisticated are your workflow needs?

- If you only need to print, choose an HP OfficeJet, PageWide, or LaserJet printer
- HP Pro MFPs support core workflows, such as scanning to email or network folders
- Enterprise MFPs offer more send-to destinations, Quick Sets for launching one-touch workflows, and superb image preview and enhancement on a large, colour touchscreen
- Flow MFPs have more advanced scanning, processing, and routing capabilities

#### What level of IT management integration do you require?

- HP Enterprise devices fit best in IT-managed environments, with advanced security controls like user authentication and PIN-enabled printing; HP OXP-enabled integration for hundreds of available partner solutions; advanced HP Web Jetadmin support for fleet management, monitoring, and reporting;<sup>8</sup> and upgradeable HP FutureSmart firmware<sup>24</sup>
- HP Pro printers or MFPs are a good fit for lightly managed environments such as branch offices, offering essential management of core features via HP WJA
- All Enterprise and some Pro devices are supported by HP Universal Print Driver<sup>9</sup>

## Meet your team's needs with the right type of device

**HP LaserJet Pro printers and MFPs**—Reliable and easy to use, these laser devices deliver print-shop-quality colour documents, with LaserJet Pro MFPs offering the core workflow features many small work teams need. Some are supported by HP UPD and have essential configuration, security, and monitoring features that can be managed through HP WJA.

**HP PageWide Pro printers and MFPs**—These devices offer HP's lowest total cost of ownership or cost per colour page,<sup>13</sup> along with essential support for HP WJA, UPD, and some solutions. PageWide Pro MFPs add core workflow features. Plus, the HP PageWide Pro series offers phenomenal speeds<sup>14</sup> and low energy consumption<sup>15</sup>.

**HP LaserJet Enterprise printers and MFPs**—These workhorse devices support all HP enterprise solutions and offer robust security options along with advanced fleet monitoring, management, and reporting. Choose a LaserJet Enterprise MFP for enhanced workflow features—including embedded scan to Microsoft® SharePoint® on the latest models.

**HP PageWide Enterprise printers and MFPs**—These devices deliver a low total cost of ownership.<sup>13</sup> Get enterprise manageability, security, and extensibility, along with phenomenal speeds<sup>14</sup> and low energy consumption<sup>15</sup>. PageWide Enterprise MFPs offer enhanced workflow features.

**HP LaserJet and PageWide Enterprise Flow MFPs**—Streamline workflows with built-in optical character recognition (OCR), fast two-sided, single-pass scanning, HP EveryPage to avoid missed pages, a pull-out external keyboard for easy data entry, and a host of other features.

## Colour single-function

### 1-5 users

**HP OfficeJet 200 Mobile Printer**

**RMPV<sup>12</sup>** 100-300  
**Duty cycle** Up to 500  
**Print speed (A4)<sup>19</sup>** Up to 10 ppm black, 7 colour  
**Maximum input<sup>25</sup>** Up to 50 sheets

**HP Officejet 7110 Wide Format ePrinter**

200-800  
 Up to 12,000  
 Up to 15 ppm black, 8 colour  
 Up to 250 sheets

**HP Officejet Pro 6230 ePrinter**

200-800  
 Up to 15,000  
 Up to 18 ppm black, 10 colour  
 Up to 225 sheets

**HP LaserJet Pro CP1025 color printer series**

200-850  
 Up to 15,000  
 Up to 16 ppm black, 4 colour  
 Up to 150 sheets

**HP OfficeJet Pro 8210/8218 printer**

**RMPV<sup>12</sup>** 250-1,500  
**Duty cycle** Up to 30,000  
**Print speed (A4)<sup>19</sup>** Up to 22 ppm black, 18 colour (8218: up to 20 black, 16 colour)  
**Maximum input<sup>25</sup>** Up to 500 sheets

**HP Color LaserJet Pro M252 printer series<sup>28</sup>**

250-2,500  
 Up to 30,000  
 Up to 18 ppm black/colour  
 Up to 150 sheets

### 3-10 users

**HP PageWide 352dw printer**

**RMPV<sup>12</sup>** 500-3,000  
**Duty cycle** Up to 40,000  
**Print speed (A4)<sup>19</sup>** Up to 30 ppm ISO, Up to 45 ppm general office mode black/colour  
**Maximum input<sup>25</sup>** Up to 1,050 sheets

**HP PageWide Pro 452dw printer**

750-4,500  
 Up to 50,000  
 Up to 40 ppm ISO, Up to 55 ppm general office mode black/colour  
 Up to 1,050 sheets

**HP LaserJet Pro M452 series<sup>28</sup>**

750-4,000  
 Up to 50,000  
 Up to 27 ppm black/colour  
 Up to 850 sheets

### 5-15 users

**HP PageWide Pro 750dw printer**

**RMPV<sup>12</sup>** 2,500-15,000  
**Duty cycle** Up to 75,000  
**Print speed (A4)<sup>19</sup>** Up to 35 ppm ISO, Up to 55 ppm general office mode black/colour  
**Maximum input<sup>25</sup>** Up to 4,650 sheets

**HP PageWide Enterprise Color 556 printer series**

2,000-7,500  
 Up to 80,000  
 Up to 50 ppm ISO, Up to 75 general office mode black/colour  
 Up to 2,050 sheets

**HP Color LaserJet Enterprise M552dn printer**

2,000-6,000  
 Up to 80,000  
 Up to 33 ppm black/colour  
 Up to 1,200 sheets

**HP Color LaserJet Enterprise M553 printer series<sup>28</sup>**

2,000-6,000  
 Up to 80,000  
 Up to 38 ppm black/colour  
 Up to 2,300 sheets

**10-30 users**

**HP Color LaserJet Enterprise CP5225 printer series**

1,500-5,000  
Up to 75,000  
Up to 20 ppm black/colour  
Up to 850 sheets

**HP Color LaserJet Enterprise M652 printer series**

2,000-14,000  
Up to 100,000  
Up to 47 ppm black/colour  
Up to 3,200 sheets

**HP Color LaserJet Enterprise M653 printer series**

3,000-17,000  
Up to 120,000  
Up to 56 ppm black/colour  
Up to 3,200 sheets

**HP Color LaserJet Enterprise M750 printer series**

2,500-13,000  
Up to 120,000  
Up to 30 ppm black/colour  
Up to 2,350 sheets

**RMPV<sup>12</sup>**  
**Duty cycle**  
**Print speed (A4)<sup>19</sup>**  
**Maximum input<sup>25</sup>**

**20+ users**

**HP Color LaserJet Enterprise printer M855 series**

4,000-25,000  
Up to 175,000  
Up to 46 ppm black/colour  
Up to 4,100 sheets

**RMPV<sup>12</sup>**  
**Duty cycle**  
**Print speed (A4)<sup>19</sup>**  
**Maximum input<sup>25</sup>**

## Mono MFP and all-in-one

### 1-5 users

HP LaserJet Pro M130/M132 MFP series<sup>21</sup>

HP LaserJet Ultra MFP M134 series<sup>22</sup>

HP LaserJet Pro MFP M227 series

HP LaserJet Ultra MFP M230 series<sup>22</sup>

RMPV<sup>12</sup>  
Duty cycle  
Print speed (A4)<sup>19</sup>  
Maximum input<sup>25</sup>

150-1,500  
Up to 10,000  
Up to 22 ppm  
Up to 150 sheets

250-2,500  
Up to 20,000  
Up to 22 ppm  
Up to 150 sheets

250-2,500  
Up to 20,000  
Up to 28 ppm  
Up to 260 sheets

350-3,000  
Up to 40,000  
Up to 28 ppm  
Up to 260 sheets

### 3-10 users

HP LaserJet Pro MFP M426 series<sup>28</sup>

HP LaserJet Pro MFP M435nw<sup>23</sup>

RMPV<sup>12</sup>  
Duty cycle  
Print speed (A4)<sup>19</sup>

## Notes

<sup>1</sup> Fade resistance based on paper-industry predictions for acid-free papers and Original HP inks; colourant stability data at room temperature based on similar systems tested per ISO 11798 and ISO 18909. Water resistance based on HP internal testing, using paper with the ColorLok® logo. For details, see [hp.com/go/printpermanence](http://hp.com/go/printpermanence).

<sup>2</sup> Local printing requires mobile device and printer to be on the same network or have a direct wireless connection. Wireless performance is dependent on physical environment and distance from access point. Wireless operations are compatible with 2.4 GHz operations only. Remote printing requires an Internet connection to an HP web-connected printer. App or software and HP ePrint account registration may also be required. Wireless broadband use requires separately purchased service contract for mobile devices. Check with service provider for coverage and availability in your area. See [hp.com/go/mobileprinting](http://hp.com/go/mobileprinting) for more details.

<sup>3</sup> Mopria-certified HP printer and mobile device must be connected to the same wireless network or have a direct wireless connection. Performance is dependent on physical environment and distance from the wireless access point. Wireless operations are compatible with 2.4 GHz routers only.

<sup>4</sup> For Wi-Fi Direct® printing, mobile device needs to be connected directly to the Wi-Fi signal of a Wi-Fi Direct capable MFP or printer prior to printing. Depending on mobile device, an app or driver may also be required. Wi-Fi Direct is a registered trademark of Wi-Fi Alliance®. For touch-to-print, mobile device must support NFC-enabled printing. For more information, see [hp.com/go/mobileprinting](http://hp.com/go/mobileprinting).

<sup>5</sup> HP PageWide Enterprise and LaserJet Enterprise devices with FutureSmart offer HP's best-in-Enterprise-class combination of security features that can monitor to detect and automatically stop an attack then self-validate software integrity in a reboot. For a list of printers, visit [hp.com/go/printersthatprotect](http://hp.com/go/printersthatprotect). HP PageWide Pro devices with secure boot capability offer HP's best-in-Pro-class security features. More at [hp.com/go/pagewidebusiness](http://hp.com/go/pagewidebusiness).

<sup>6</sup> HP JetAdvantage Security Manager must be purchased separately. To learn more, please visit [hp.com/go/SecurityManager](http://hp.com/go/SecurityManager).

<sup>7</sup> Buyers Laboratory, LLC Solutions report, February 2015. For details, see [hp.com/go/SecurityManager](http://hp.com/go/SecurityManager) or [buyerslab.com](http://buyerslab.com).

<sup>8</sup> HP Web Jetadmin is available for download at no additional charge at [hp.com/go/wja](http://hp.com/go/wja). HP Web Jetadmin offers different levels of device support: HP essential fleet management with a core set of fleet management features for distributed enterprise such as branch offices or teleworker environments, and HP advanced fleet management with a comprehensive set of enterprise configuration features and management capabilities.

<sup>9</sup> HP Universal Print Driver is available for download at no additional charge at [hp.com/go/upd](http://hp.com/go/upd).

<sup>10</sup> Based on ISO/IEC 19752 and 19798 cartridge yields for the following Original HP LaserJet Toner cartridges: 131A compared with 201X, 507A compared with 508X, 55X compared with 87X, 80X compared with 26X, 305A/X compared with 410X. For more information, see [hp.com/go/learnaboutesupplies](http://hp.com/go/learnaboutesupplies).

<sup>11</sup> HP Auto-On/Auto-Off Technology capabilities subject to printer and settings; may require a firmware upgrade.

<sup>12</sup> HP recommends that the number of printed pages per month be within the stated range for optimum device performance, based on factors including supplies replacement intervals and device life over an extended warranty period.

<sup>13</sup> Total cost of ownership comparison based on 150,000 pages for PageWide Pro A4 and 150,000 pages for PageWide Enterprise A4; manufacturers' published specifications for page yields and energy use; manufacturers' suggested retail price for HP hardware and supplies; cost per page based on ISO yield with continuous printing in default mode with highest-available-capacity cartridges; and long-life consumables. Comparisons are to Pro-class HP colour business A4 printers \$300-\$800 and MFPs \$400-\$1,000 and Enterprise-class HP colour business A4 printers \$500-\$1,249 and MFPs \$1,000-\$3,000 as of November 2015. HP PageWide Pro 750 Printer and 772/777 MFP: HP's lowest cost per colour page claim applies to devices that are not sold under contract: Comparison of HP PageWide A3 devices with the majority of in-class HP colour ink/laser MFPs (\$3,000-\$7,499), and colour ink/laser single function printers (\$1,500-\$2,999) as of January/February 2017. Cost per page (CPP) reported by gap intelligence Pricing & Promotions Report January/February 2017, comparisons for devices/supplies not sold under contract are based on published specifications of the manufacturers' highest-capacity cartridges, inclusive of long life consumables, Manufacturer Suggest Retail Price (MSRP), and page yield. Actual prices may vary. Average yield based on ISO/IEC 24711 and continuous printing in default mode. Actual yield varies based on content of printed pages and other factors. For more information, see [hp.com/go/learnaboutsups](http://hp.com/go/learnaboutsups) and [hp.com/go/pagewidebusiness](http://hp.com/go/pagewidebusiness)

<sup>14</sup> Speed comparison based on manufacturers' published specifications of fastest available colour mode of all HP colour business A4 printers €300-€1,249 and A4 MFPs €400-€3,000 as of November 2015, and all A3 HP colour business printers €900-€2,300 Euros and MFPs €2,000-€4,500 Euros as of August 2016. HP PageWide speeds based on General Office mode and exclude first page. Learn more at [hp.com/go/printerspeeds](http://hp.com/go/printerspeeds).

<sup>15</sup> Energy claim based on comparisons of TEC data reported on [energystar.gov](http://energystar.gov). Data normalised to determine energy efficiency of majority of Pro-class HP colour business A4 printers €300-€800 and MFPs €400-€1,000 as of November 2015, in-class A3 HP colour laser printers with published speeds of 20-80 ppm as of November 2016, and Enterprise-class HP colour laser A4 printers €500-€1,249 and MFPs €1,000-€3,000 as of November 2015. Subject to device settings. Learn more at [hp.com/go/pagewidebusiness](http://hp.com/go/pagewidebusiness).

<sup>16</sup> Printer requires ePrint account registration. App or software may be required. Wireless operations are compatible with 2.4 GHz operations only. Learn more at [hp.com/go/mobileprinting](http://hp.com/go/mobileprinting).

<sup>17</sup> Supports the following devices running iOS 4.2 or later: iPad, iPad 2, iPhone (3GS or later), iPod touch (3rd generation or later). Works with HP's AirPrint-enabled printers and requires the printer be connected to the same network as your iOS device. Wireless performance is dependent on physical environment and distance from the access point.

<sup>18</sup> HP JetAdvantage Private Print is available at no charge and requires the printer be connected to the Internet with web services enabled. Not available in all countries. For more information and device compatibility details, see [hp.com/go/jetadvantageprivateprint](http://hp.com/go/jetadvantageprivateprint).

<sup>19</sup> Either after first page or first set of pages. For more information, see [hp.com/go/printerclaims](http://hp.com/go/printerclaims).

<sup>20</sup> OfficeJet ink cartridges: average based on ISO/IEC 24711 or HP testing methodology and continuous printing. PageWide cartridges: Average colour composite (C/M/Y) and black declared yields based on ISO/IEC 24711 and continuous printing. LaserJet print cartridges: declared yield value in accordance with ISO/IEC 19752. Actual yield varies considerably based on content of printed pages and other factors. For details see [hp.com/go/learnaboutsups](http://hp.com/go/learnaboutsups).

<sup>21</sup> The HP LaserJet Pro M104a, M104w, M402dn Russia, and the HP LaserJet Pro MFP M132a, M132nw, M132fn, M132fw, M426dw Russia, and M426fdn Russia models are only available in Russia.

<sup>22</sup> The HP LaserJet Ultra M106w, MFP 134 series, and MFP M230sdn are only available in Russia and Turkey.

<sup>23</sup> The HP LaserJet Pro MFP M435nw is only available in specific countries in MEMA (Africa, ME, TR) and CEE (RU, CIS).

<sup>24</sup> HP FutureSmart firmware is available on select HP Enterprise printers and MFPs. Some features enabled by future HP FutureSmart upgrades may not be available on older devices if, for example, physical product characteristics limit the functionality of the new feature.

<sup>25</sup> Standard and maximum input capacities may vary by model. Maximum input capacity may require purchase of optional paper tray.

<sup>26</sup> Some solutions require download or additional purchase. Learn more at [hp.com/go/printingsolutions](http://hp.com/go/printingsolutions).

<sup>27</sup> Hardware Integration Pocket not available on the HP LaserJet Enterprise M607n or M608n printers or the HP Color LaserJet Enterprise M553n printer.

<sup>28</sup> Buyer's Lab, Inc. named as its 2015 Summer Picks the HP Color LaserJet Pro M252dw Printer for Outstanding SOHO Colour Printer; the HP Color LaserJet Pro MFP M277dw Printer for Outstanding SOHO Colour MFP; and the HP Color LaserJet Enterprise M553 Series for Outstanding Colour Printer for Mid-Size to Large Workgroups.
