

# Acquire your A3 printer faster and with more flexibility

**HP Financial Services** can help customers find new ways to plan for, acquire, consume and adapt the technology needed for workplace transformation.

## The value of working with HP Financial Services

There's no better time to make the move to HP A3 Printing, which offers next generation technology that completely transforms the copier experience. With PageWide affordable color, maximum uptime, and the world's most secure printing, a comprehensive financing solution from HP Financial Services complements the HP portfolio to meet your workplace print needs best.

With a commitment to helping our A3 dealers drive your business forward, we provide the flexibility, security, and transparency you deserve and expect from a financial services provider.

### Data security at end of life

Our technology asset management services ease concerns around data security compliance and product recycling so customers can maintain protection throughout the entire lifecycle.

### Competitive rates and flexible terms

We will work around your requirements to give you a flexible agreement that matches your business needs, with the most competitive pricing for HP technology.

### No surprises at end of contract

We don't nickel and dime our customers for normal wear and tear and there are no surprise fees when you are ready to return the equipment.

### Dedicated customer delivery teams

Satisfaction is our #1 priority, and we will ensure that your experience working with us is seamless and any issues are resolved quickly.
