

HP Subscription

Get the latest workplace technology for your growing business, all in one package

HP Financial Services can help customers find new ways to plan for, acquire, consume and adapt the technology needed for workplace transformation.

Customized HP technology bundles to fit your needs

Many businesses are looking for an easier way to manage their workplace technology. Since modernization is essential to your business' productivity and growth, HP Subscription provides a worry-free, flexible, and turnkey solution that lets you bundle PCs, tablets, and printers, together with software and support services into a convenient per-seat payment model. Remove the burden of dealing with IT evaluation and procurement, and spend more time focusing on growing your business with secure, mobile collaboration and anywhere, anytime access to data and applications.

Convenient, fast, and flexible solution

Simple and straightforward acquisition

Save time by simplifying the planning, acquisition and replacement of your workplace technology and choose from devices featuring better design and functionality that will help your business work smarter.

Stress-free management and maintenance

Experience the latest technology and support services, which ensures equipment is kept in good operating condition, helping to minimize costly downtime associated with aging devices.

Stay on top of the latest technology

Keep updates for all your subscription hardware on a consistent schedule by renewing at the same time, and remove concern around managing equipment disposal.

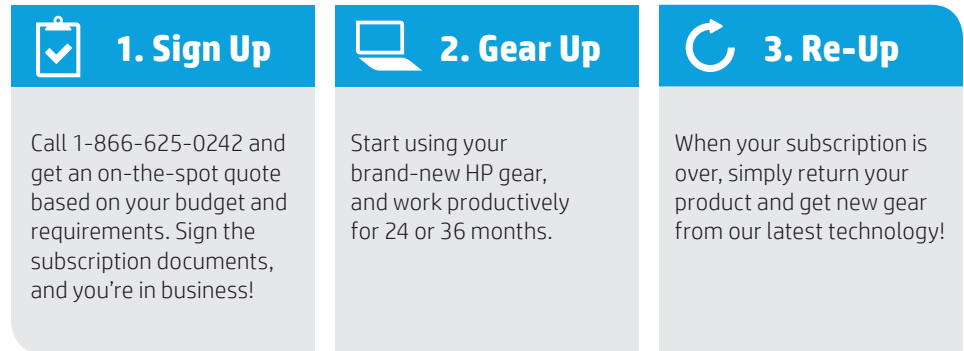

Why is HP Subscription right for your business?

- Customizable bundles to fit your unique business needs
- Convenient monthly payment¹
- Full service solution with hardware, software, and services included
- Renew and refresh every 2 or 3 years²
- Ability to scale quickly as your workforce grows
