

Security and manageability at the point of care.

HP EliteOne 800 Healthcare Edition AiO

Create a streamlined, flexible workspace with the HP EliteOne 800 Healthcare Edition AiO. It has robust performance and security features and a 23.8" diagonal non-touch glass screen that's cleanable with germicidal wipes.¹

Strong security and manageability | Experience powerful protection and simplified management from our most secure and manageable all-in-one for healthcare. The HP EliteOne 800 Healthcare Edition includes HP Sure Start Gen3 self-healing BIOS protection, multi-factor authentication, and the HP Manageability Integration Kit.^{2,3} An optional IR camera lets you use your face as your password with Windows Hello facial recognition.⁴

Purposeful design | Place the HP EliteOne 800 Healthcare Edition in nursing stations, patient rooms, public areas, and more with flexible stand and mount options.⁵ Use it on a flat surface with an adjustable stand, or mount it conveniently on a wall or on a medical cart with the VESA. The USB-C™ port and integrated cable management help maintain a clutter-free work environment. The micro-edge-bezel FHD glass display can be cleaned with germicidal wipes and commonly used sanitizing agents.¹

Robust performance for hospital workflows

The HP EliteOne 800 Healthcare Edition meets EN 60601-1-2 requirements for basic safety and essential performance,⁶ and is driven by the HP Elite-class combination of Windows 10 Pro,⁷ 7th generation Intel® Core™ processors,⁸ optional Intel® vPro™,⁹ and Intel® Optane™ storage.¹⁰

Enhance collaboration between healthcare professionals | Collaborate clearly and easily review patient records on the integrated 23.8" diagonal FHD display. HP Audio Boost and HP Noise Cancellation aid in dictation, and optional dual-facing HD webcams support consultations on the fly.¹¹

Super secure, super protected | Trust a company that received a prestigious 2017 BLI PaceSetter award in the Healthcare: Group Practices category. Keep patient records and other sensitive information out of reach and defend against theft, attacks, and unauthorized users with HP Client Security Suite Gen3.¹² The HP EliteOne 800 Healthcare Edition passes HP's Total Test Process and is designed to pass MIL-STD-810G tests.¹³

Designed to be sanitizable | Make the most of your workspace with the optional sleek, white, IP65-rated HP USB Keyboard and Mouse Healthcare Edition, which can be cleaned with commonly used germicidal agents.¹⁴

Solid serviceability and support

Minimize downtime with optional dust filters,¹⁰ tool-less access to critical components, and the HP Elite support three-year limited warranty.¹⁵ Hassle-free technical support is available 24 x 7 from HP Helpdesk by HP Care. Instead of hiring in-house IT, rely on cost-effective expertise covering multiple brands, devices, and operating systems. Choose from different coverage options for instant assistance with issues including configuration, linking, operation, and more.¹⁶

1. See user guide for specific agents and cleaning instructions. 2. Available on HP EliteDesk and EliteOne products equipped with 7th generation Intel processors. 3. The HP Manageability Integration Kit can be downloaded from <http://www8.hp.com/us/en/ads/clientmanagement/overview.html>. 4. Optional IR camera required. Windows Hello requires Windows 10. 5. Stand included. Optional stands also available, but sold separately. See product QuickSpecs for compatibility. Mounting hardware sold separately. 6. The HP EliteOne 800 G3 Healthcare Edition 23.8" Non-touch AiO is a general-purpose computing device and is not intended for use in the diagnosis, cure, treatment, or prevention of disease or other medical conditions. 7. Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers, software, or BIOS update to take full advantage of Windows functionality. Windows 10 is automatically updated, which is always enabled. ISP fees may apply and additional requirements may apply over time for updates. See windows.com. 8. Multi-core is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. Intel's numbering is not a measurement of higher performance. 9. Some functionality of this technology, such as Intel Active Management Technology and Intel Virtualization Technology, requires additional third-party software in order to run. Availability of future "virtual appliances" applications for Intel vPro Technology is dependent on third-party software providers. 10. Intel Optane is sold separately and requires a 7th gen Intel Core processor, BIOS version with "Intel Optane supported," Windows 10 Creators Update for Spring 2017, an Intel 200-series chipset, M.2 type 2280-S1-B-M connector on a PCH Remapped PCIe Controller and Lanes in an x2 or x4 configuration with B-M keys that meet NVMe Spec 1.1 and Intel Rapid Storage Technology (Intel RST) 15.5 driver. 11. Sold separately or as an optional feature. Internet access and conferencing software required for conferencing and sold separately. 12. HP Client Security Suite Gen3 requires Windows and 7th generation Intel processors. 13. MIL-STD testing is pending and is not intended to demonstrate fitness for U.S. Department of Defense contract requirements or for military use. Test results are not a guarantee of future performance under these test conditions. 14. IP65 test results not a guarantee of future performance under these test conditions. Damage under the test conditions or any accidental damage requires an optional HP Accidental Damage Protection Care Pack. 15. HP Elite support only available in the U.S. and Canada in English. 16. HP Care Services are optional. Service levels and response times for HP Care Pack Services may vary depending on your geographic location. Service starts on date of hardware purchase. Restrictions and limitations apply. For details, visit hp.com/go/cpc. HP services are governed by the applicable HP terms and conditions of service provided or indicated to the customer at the time of purchase. Customer may have additional statutory rights according to applicable local laws, and such rights are not in any way affected by the HP terms and conditions of service or the HP Limited Warranty provided with your HP product.
