

HP ElitePOS 2D Barcode Scanner

1RL97AA (Black), 3GS20AA (White)

Deliver an efficient customer experience with the breathtaking HP ElitePOS 2D Barcode Scanner, HP's smallest, slimmest barcode scanner, designed to complement the HP ElitePOS. It reads mobile wallets, digital coupons, and printed barcodes and can be used by hand or in presentation mode.

Ready for the digital age

Quickly scan mobile wallets and digital coupons from customer mobile devices or printed 1D and 2D barcodes. Intuitive feedback confirms a successful read.

Impeccable design

Use the bold, modern scanner by hand with the comfortable grip, or set it in the compact, equally stylish stand for fixed-location scanning.

Simple to set up

Plug the attached USB cable into your retail system. The extended 6.5-ft length gives you room to maneuver to hard-to-reach barcodes.

Supported by HP

Rest easy that your IT investment is supported by a three-year standard limited warranty.
