New!

	HP LaserJet Enterprise 700 M712dn Printer	HP LaserJet Enterprise M806dn Printer	HP PageWide Pro 750dw Printer	HP Color LaserJet Enterprise M750dn Printer	HP Color LaserJet Enterprise M855dn Printer
Product description	Enable high-volume, black-and-white printing on paper sizes up to A3—and capacity up to 4,600 sheets.* Control costs with energy-saving features and two-sided printing. Protect sensitive business data and centrally manage printing policies.	This HP LaserJet handles big print jobs fast, with an extra-large input capacity and versatile paper-handling options. Mobile printing is simple with wireless direct printing and touch-to-print technology. ^{4,5} Easy upgrades protect your investment.	Business moves fast, and slowing down means falling behind. It's why HP built the next generation of HP PageWide Pro—to power productivity with a smart, efficient printer that delivers the lowest color cost, ⁶ maximum uptime, and strong security.	Print large volumes of professional-quality color documents on a wide range of paper sizes. Maintain productivity with intuitive, easy-to-use management tools. Conveniently print directly from laptop PCs, smartphones, or tablets. ⁷	This color printer gives your entire organization access to fast, simplified color printing with professional finishing options. Protect your investment—you can easily upgrade and add to this device's capabilities as your business needs evolve.

¹ Measured using ISO/IEC 24734, excludes first set of test documents. For more information see <http://www.hp.com/go/printerclaims>. Exact speed varies depending on the system configuration, software application, driver, and document complexity. ² Measured using ISO/IEC 17629. For more information, see <http://www.hp.com/go/printerclaims>. Exact speed varies depending on the input voltage, system configuration, software application, driver, and document complexity. ³ The base paper capacity of the HP LaserJet Enterprise 700 printer M712dn is 600 sheets (two 250-sheet trays and one 100-sheet multipurpose tray). With optional accessories, the maximum capacity is 4,600 sheets. ⁴ Wireless direct printing may be added as an option. Mobile device may require an app or driver. Wireless performance is dependent on physical environment and distance from the printer. For details, see <http://www.hp.com/go/wirelessprinting>. ⁵ Lowest cost per color page claim applies to devices that are not sold under contract. Comparison of HP PageWide A3 devices with the majority of in-class color ink/laser MFPs (\$3,000-\$7,499), and color ink/laser single function printers (\$1,500-\$2,999) as of January/February 2017; market share as reported by IDC as of Q4 2016. Cost per page (CPP) reported by gap intelligence Pricing & Promotions Report January/February 2017, comparisons for devices/supplies not sold under contract are based on published specifications of the manufacturers' highest-capacity cartridges, inclusive of long-life consumables and page yield. Average HP yield based on ISO/IEC 24711 and continuous printing in default mode. Actual yield varies based on content of printed pages and other factors. For more information, see <http://www.hp.com/go/learnaboutsupplies> and <http://www.hp.com/go/PageWideClaims>. ⁶ Local printing requires mobile device and printer to be on the same network. Remote printing requires an internet connection to an HP Web-connected printer. App or software and HP ePrint account registration may also be required. Wireless broadband use requires separately purchased service contract for mobile devices. Check with service provider for coverage and availability in your area. See <http://www.hp.com/go/mobileprinting> for more details. ⁷ Maximum paper capacity of 4,600 sheets requires the purchase of optional paper tray accessories. ⁸ Maximum paper capacity of 4,350 sheets is available only on the M775dn with the addition of the optional 3,500-sheet high-capacity input and optional 500-sheet tray.
