

HP Smart App

The power of your printer in the palm of your hand

Printing just got easier

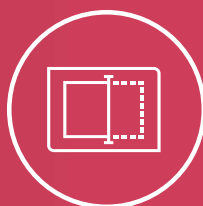

Easily order supplies

Whether you're at work and need to print directly to your home printer or you need a quick and easy way to print photos from social media or documents from your Google Drive, you can print from anywhere with the HP Smart App.

Set up in a snap

Scan on the go

Printing just got easier

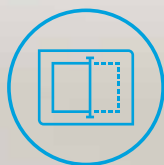

Quickly access and print photos and documents on your smartphone or tablet, from social media, the cloud, and your camera-roll gallery.

Print directly from social media like Facebook and Instagram

Customise your photos for print optimization

Print from cloud storage like Dropbox, Google Drive, and your camera-roll gallery

Amazing scanning, now on your smartphone

Easily scan documents using your camera or your printer's scanner, and then share them to the cloud or email them—from virtually anywhere.

Automatic edge detection
for professional scanning

Enhance productivity by
sending directly to the
cloud or email

Scan multiple pages and
save as a PDF or JPG

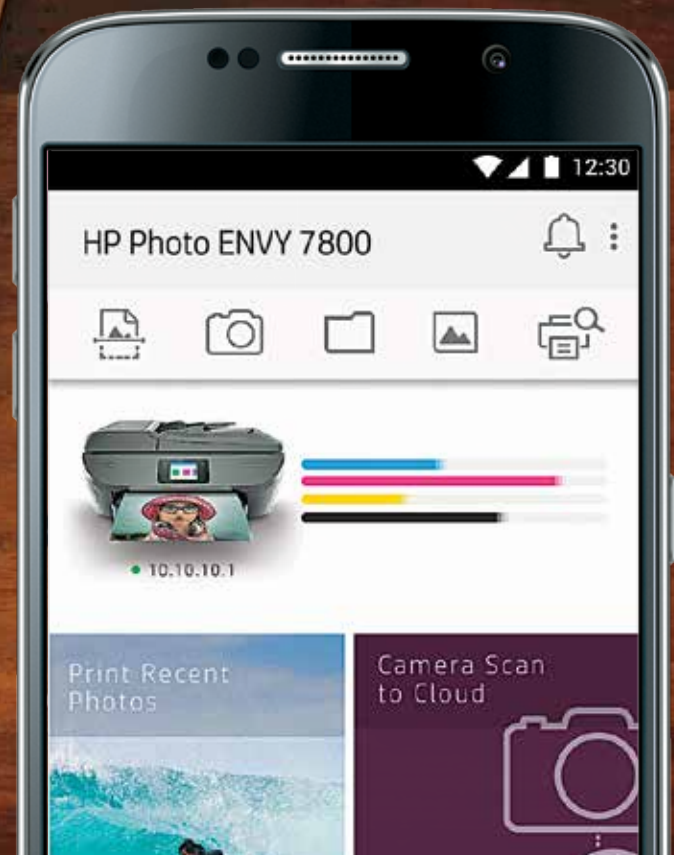

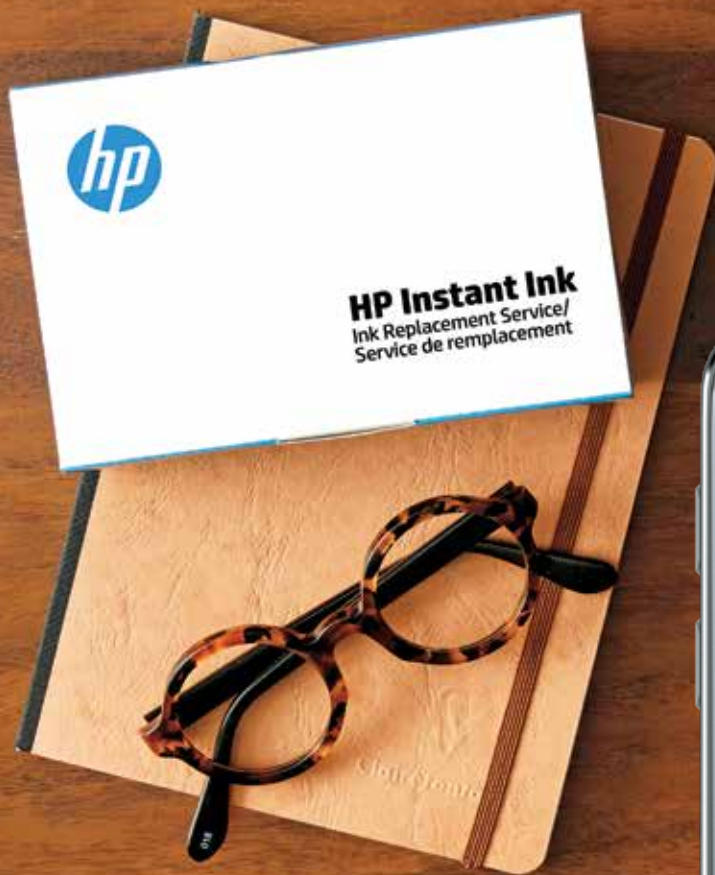

Ordering supplies has never been easier

Order ink and toner directly through the app, or let your printer do the work with HP Instant Ink.

Easily monitor
and order supplies

Have them delivered
automatically through
HP Instant Ink integration

Set up Wi-Fi in minutes

Get connected and start printing right away with seamless Wi-Fi setup from your smartphone.

Modern user interface
with intuitive tile format

Easily set up
mobile printing capabilities

Need a little assistance?

With the integrated Help & Support tile, we're just one touch away.
