

HP Smart App

The power of your printer
in the palm of your hand

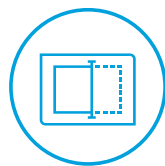

Print photos from social media, scan on the go, easily order supplies, and set up in a snap with the HP Smart App for your HP printer.

Printing just got easier

Quickly access and print photos and documents on your smartphone or tablet, from social media, the cloud, and your camera-roll gallery.

Amazing scanning, now on your smartphone

Easily scan files using your camera, and then share them to the cloud or email them—from virtually anywhere.

Ordering supplies has never been easier

Order ink and toner directly through the app, or let your printer do the work with HP Instant Ink.

Get more out of your qualifying HP printer with the HP Smart App

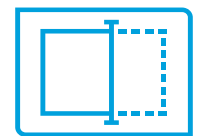

Simple Wi-Fi setup in minutes, easier than Bluetooth®

Easily set up mobile printing capabilities

Print photos recently saved on your device

Scan documents with automatic edge detection

Print documents and files saved in the cloud

Take and print photos directly through the app

Order supplies or enroll in the HP Instant Ink program

Printing just got more productive
