HP Original 30 Black Ink Bottle

HP Original 31 Cyan, Magenta, and Yellow Ink Bottles

¹ Based on average monthly print volumes of around 250 pages and based on local Australian usage data of HP ink cartridge systems, assuming comparable usage. Actual yields may vary considerably depending on reasons including subject matter, print settings, temperature, and humidity. Yields may be lower when printing infrequently or predominantly with a single ink colour.

² When used in accordance with the setup instructions, the cap valve prevents accidental spills.

³ Requires the HP Smart App download. Features controlled may vary by mobile device operating system. Full list of supported operating systems and details at <http://support.hp.com/us-en/document/c03561640>. For details on local printing requirements see hp.com/go/mobileprinting.

⁴ Average black bottle yield and average cyan/yellow/magenta colour composite bottle yield based on HP methodology and continuous printing of ISO/IEC 24712 test pages. Not based on ISO/IEC 24711 test process. Actual yield varies based on content of printed pages and other factors. Some ink from included bottles is used to start up the printer. For more information about fill and yield, see hp.com/go/learnabouteink.

⁵ Based on IDC's Worldwide Quarterly Hardcopy Peripherals Tracker[®], 2016 Q4. For shipments of all printing devices (inkjet printers, laser printers, copiers and multifunction devices, including production units).

⁶ Photos displayed under glass with HP 51 and HP 52 inks. See June 8, 2017 Statement and Wilhelm Imaging Research report wilhelm-research.com and hp.com/go/printpermanence.

⁷ For details on local printing requirements see hp.com/go/mobileprinting.

⁸ Mobile device needs to be connected to Wi-Fi Direct[®] signal of a Wi-Fi Direct-supported AiO or printer prior to printing. Details at hp.com/go/mobileprinting. Wi-Fi Direct is a registered trademark of Wi-Fi Alliance[®].
