

## HP Smart Tank Wireless

Fill it. Shut it. Print it.

### Out-of-the-box convenience

Print thousands of pages right out of the box. Get up to two years of ink included, and up to 8,000 pages (colour set) or 6,000 pages (black)—all at an extremely low cost per page.<sup>1,2</sup>

### No mess. No waste.<sup>3</sup>

With our easy-access, spill-free refill system, simply plug the bottle into the ink tank and let it drain—no squeezing, no spilling, no waste.<sup>3</sup>

### Exceptional HP quality

Print dark, crisp text, and get borderless, fade-resistant photos and documents that last for generations.<sup>4</sup>

### The power of your printer in the palm of your hand<sup>5</sup>

Get the app that's designed to completely control your printer. Print from your smartphone, scan on the go, and easily order ink, with the HP Smart App.<sup>5</sup>

## Transparent ink tanks

Print with confidence. Easily see how much ink is left—no worries about running out.

Download the free, easy-to-use HP Smart App and get total control over your printer. Print from your smartphone, scan on the go, and easily order ink.<sup>5</sup>

### Amazing scanning, now on your smartphone<sup>5</sup>

Easily scan files using your camera, and share to email or the cloud—from virtually anywhere.<sup>5</sup>

### No network, no problem

Easily print from your smartphone and tablet without a network—anywhere in your home. Wi-Fi Direct<sup>®</sup> printing lets you connect your smartphone or tablet directly to your printer.<sup>6</sup>

Get up to two years of ink and easy mobile printing with one simple purchase.<sup>1,7</sup> Print up to 8,000 colour or 6,000 black pages from a spill-free ink system—and produce outstanding quality.<sup>2,3</sup>

## At a glance

HP Smart Tank Wireless

Mobile printing, scanning, and device management with the HP Smart App<sup>5</sup>

USB, Wi-Fi Direct<sup>®</sup>,<sup>6</sup> Wireless networking<sup>8</sup>

Up to 8,000 colour or 6,000 black pages included in the box<sup>2</sup>

Up to 60 sheet input/25 sheet output capacity

Print, scan, and copy

<sup>1</sup> Based on average monthly print volumes of around 250 pages and based on local Australian usage data of HP ink cartridge systems, assuming comparable usage. Actual yields may vary considerably depending on reasons including subject matter, print settings, temperature, and humidity. Yields may be lower when printing infrequently or predominantly with a single ink colour.

<sup>2</sup> Average black bottle yield and average cyan/yellow/magenta colour composite bottle yield based on HP methodology and continuous printing of ISO/IEC 24711 test pages. Not based on ISO/IEC 24711 test process. Actual yield varies based on content of printed pages and other factors. Some ink from included bottles is used to start up the printer. For more information about fill and yield, see [hp.com/go/learnaboutsplies](http://hp.com/go/learnaboutsplies).

<sup>3</sup> When used in accordance with setup instructions, the cap valve prevents accidental spills.

<sup>4</sup> Photos displayed under glass with HP 51 and HP 52 inks. See June 8, 2017 Statement and Wilhelm Imaging Research report [Wilhelm-research.com](http://wilhelm-research.com) and [hp.com/go/printpermanence](http://hp.com/go/printpermanence).

<sup>5</sup> Requires the HP Smart App download. Features controlled may vary by mobile device operating system. Full list of supported operating systems and details at <http://support.hp.com/us-en/document/c03561640>. For details on local printing requirements see [hp.com/go/mobileprinting](http://hp.com/go/mobileprinting).

<sup>6</sup> Mobile device needs to be connected to Wi-Fi Direct<sup>®</sup> signal of a Wi-Fi Direct-supported AiO or printer prior to printing. Details at [hp.com/go/mobileprinting](http://hp.com/go/mobileprinting). Wi-Fi Direct is a registered trademark of Wi-Fi Alliance<sup>®</sup>.

<sup>7</sup> For details on local printing requirements see [hp.com/go/mobileprinting](http://hp.com/go/mobileprinting).

<sup>8</sup> Wireless performance is dependent on physical environment and distance from access point. Wireless operations are compatible with 2.4 GHz routers only.
