

HP Wireless Collaboration Keyboard

Drive collaboration with a sleek, intuitive wireless keyboard.

Pretty and pretty smart

- Optimize productivity with a slim profile that conserves space and ultra-quiet scissor keys that foster focus, easy travel, and accurate typing. Get comfortable with adjustable slope, and breathe easy with a keyboard that resists minor spills.

Ready to collaborate

- Conduct virtual meetings with dedicated Skype for Business® keys that control common video and call functions and have LEDs to cue incoming calls, mute, screen-sharing, and webcam usage.

Link-5 connectivity

- Work up to 30 ft (10 m) away from your PC with the Link-5 USB nano-receiver that also becomes a wireless hub for up to four additional Link-5 accessories so you can conserve USB ports on your PC.

Stay charged

- Conserve power with an On/Off switch and avoid surprises with a convenient LED that alerts you when the battery is low. Charge up while you work by plugging the keyboard's micro-USB cable into any USB port on your PC.

World-class support

- Get the reassurance of a one-year limited warranty.
