

Prevent malicious attacks while browsing with HP Sure Click

HP Sure Click provides hardware-enforced security for **Microsoft® Internet Explorer and Chromium** web browsers – keeping malware, ransomware, and viruses from infecting other browser tabs and the system itself.

This document lists the compatible platforms. This page will be updated as new products are added.

HP Sure Click is available by free download from hp.com for the following product:

Notebook computer	HP EliteBook x360 1030 G2
-------------------	---------------------------

Navigate to this URL:

<https://support.hp.com/us-en/drivers/selfservice/hp-elitebook-x360-1030-g2/14169372>

You will find the HP Sure Click download information under the Software-Security section dropdown.

The following products come with HP Sure Click pre-installed from the factory:

Desktop computer	HP EliteOne 1000 AiO
Notebook computers	HP EliteBook x360 1020 G2 HP EliteBook x360 1040 G4
