

HP N270h 27-inch Monitor

Work in style on the dynamically modern and efficiently thin HP N270h 27-inch Monitor with nearly borderless bezels and a sharp FHD resolution for increased productivity at an affordable price point.

Convenient and comfortable workspace

- Create the perfect fit and ideal ergonomic comfort with height adjust and tilt capabilities while accessing adaptable connectivity through the integrated VGA and HDMI ports.

Sleek display for the modern office

- Showcase a stylish, 3-sided micro-edge display with an ultra slim panel and sleek design for an optimal dual-display set up and increased productivity.

Incredible views from any angle

- Experience a vibrant Full HD 1920 x 1080 resolution image on an expansive 27-inch diagonal IPS display providing impressively wide 178-degree viewing angles for vivid views from any perspective.¹

Featuring

- Reduce power consumption and help lower your costs with an intelligent, energy-efficient display that is ENERGY STAR® certified, EPEAT® Silver registered, and TCO certified.
- Rest assured that your IT investment is supported by a three-year standard limited warranty. To extend your protection, select optional HP Care Pack Services.
- Comfortably view content day or night with the integrated low blue light function. TÜV Rheinland certified, the HP N270h lets you easily toggle the blue light option on or off at your convenience for optimal viewing.
