City of Mühldorf am Inn lowers printing costs with HP PageWide

HP PageWide technology is providing smarter print consolidation and lower maintenance costs

The City of Mühldorf am Inn is a provider of printing services, serving local residents, businesses and public service providers in the area. City of Mühldorf am Inn turned to HP and replaced its laser printers with HP PageWide technology. HP Partner -Kaut-Bullinger Büro-Systemhaus, a print provider is delivering an HP Partner Managed Print Services (MPS) contract which has reduced maintenance costs and boosted productivity.

55k pages per month

85 staff

20k residents

5 offices

No centralised print management

Uncoordinated print procurement

Print fleet made up of many different laser printers

Toner ordered sporadically

Too much time replacing cartridges in every printer

HP PageWide print transforms workflow

100% new printer fleet

7 HP PageWide Pro 477

30 HP PageWide Pro 452

"Our users have really been impressed with the HP PageWide printers and multifunction devices. The print quality is very good. The devices are fast and our staff can now change the ink cartridges easily by themselves."

- Martin Unterstraßer, head of IT at the City of Mühldorf am Inn
