# HP Black 11.6 Always On Case

## Thin and light device protection

Keep your HP Chromebooks and notebooks<sup>1</sup> safe from bumps and external scratches with the HP Black 11.6 Always On Case, a durable case that holds the device and a pen in place while students are working in the classroom and on the move.

### **Tough enough for every day, without the extra weight**

Get the enhanced durability of a surprisingly thin and light zip-around case that's designed to help protect your notebook with interior padding, a molded pen holder for a snug fit, and rubber feet to help hold it in place on the desk.

### **All-access design**

Use the case in and out of class—it's built to unzip flat and stay on the device, with cutouts for easy access to its critical ports and connectors. Carry between classes and home and school with the hand slip strap or top handle.

### **Travel in 360 mode<sup>2</sup>**

Use your device in tablet mode when you secure it inside the case with the interior elastic straps.

### **World-class support**

Get a one-year limited warranty.

1. See compatibility below

2. If 360 mode is available on the device
