

1. To register your Care Pack:

[Enter here](#)

2. Enter your customer information as requested.

- Care Pack serial number
- Be sure to enter your email address

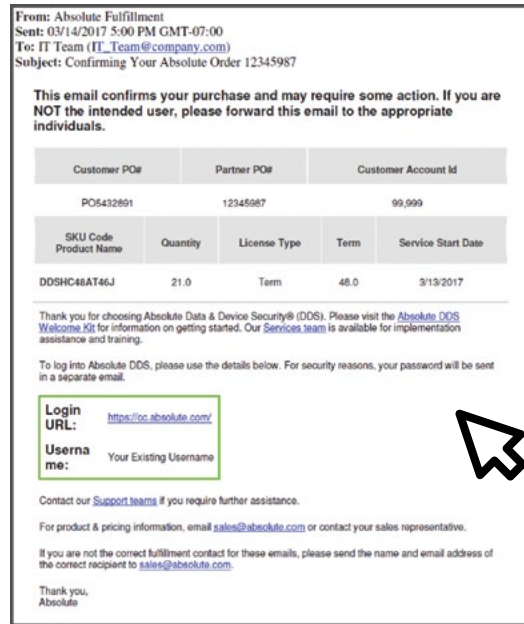

3. You will receive a Care Pack certificate by email.

4. Complete the registration.

When the step 3 is complete, Absolute will send you an email that will instruct you on how to complete the registration process for your Service.

5. Install software.

After completing all the steps above you will receive instructions on how to install the software on the devices you licensed under the Care Pack. This is the final step of the process. The license will only be complete after you install the software.

Additional notes:

- An HP Order Number does trigger fulfillment with Absolute
- The registration of the Care Pack with HP triggers fulfillment with Absolute
- All Care Packs must be registered with HP and Absolute
- The device/hardware serial number is not required for registration when purchasing Absolute DDS without hardware. It is required when purchasing hardware plus software (bundled services)
- After licenses are fulfilled, the Absolute DDS software will need to be installed for the process to be complete

Care Packs are part of the family of HP Care services.
