

Rialto Unified School District

K-12 district reduces print costs 40% with HP MPS

Business Need

- Reduce printing expenses while upgrading print infrastructure features and reliability within bold timeframe

HP Solution

- Engage HP Managed Print Services to rapidly deploy and manage right-sized HP LaserJet printers

Client Outcome

- Meet aggressive deployment schedule to replace 1,432 printers in six weeks
- Simplify by standardizing on one mono and one color printer model
- Gain wireless capability, energy efficiency and reliability in print devices
- Reduce print costs 40%
- Save \$400,000 annually
- Support educational mission

Rialto Unified School District

“HP MPS was invested in our success from the beginning, enabling us to cut print costs by 40% while replacing more than 1,400 district printers on an aggressive timeline.”

—Daniel Distrola, Purchasing Manager
Rialto Unified School District
