

Silver Valley Unified School District

HP MPS supports focus on quality education

Business Need

- Implement and maintain a reliable, sustainable print infrastructure with Managed Print Services

HP Solution

- Engage HP Managed Print Services
- Standardize on “industry workhorse” printers
- Gain OEM toner and service

Client Outcome

- Reduce from daily to near zero IT service calls
- Streamline, simplify device and supplies management
- Help control costs in era of tight budgets
- Leverage technology for Common Core success
- Free IT staff to focus on teacher support instead of printers and copiers
- Lay foundation for future workflow initiatives

Silver Valley Unified School District

“We don’t want teachers becoming technicians; they need to teach in the classroom. HP MPS ensures our print infrastructure runs reliably and cost effectively to support the district’s educational mission.”

—Robert Saffel, Director of Technology Services
Silver Valley Unified School District
