

HP Elite USB-C Docking Station

Charge your device, view content on dual displays,¹ access a range of accessories,¹ and connect to a desktop PC¹ experience with a single cable connection to the HP Elite USB-C™ Docking Station.

Quick and easy connectivity enabled by USB-C™

- Connect the attached cable to a USB-C™ port, or use the included USB-C™ to USB-A adapter with legacy devices for quick access to your wired network, multiple displays, and accessories through the dock's DisplayPort, HDMI, RJ-45, and five USB ports.

Power on

- Keep working with a power pass through that powers your device while it charges.²

Built for enterprise

- Support network manageability of your device and the docking station with integrated Wake on LAN³, PXE boot, and 802.1x authentication on the docking station, and get physical security from a security lock slot.⁴

Park it or pack it

- Place the compact dock on your desk with minimal impact to your workspace, or take it to go with your tablet.

Rest easy

- Get the reassurance of a one-year limited warranty.
