

HP EliteOne 1000 27-in 4K UHD Display

Go big in ultra-luxe style

Upgrade your view with the same elegant aesthetics of your masterfully crafted HP EliteOne 1000 AiO with the stunning HP EliteOne 1000 27-in 4K UHD Display—HP's first for a commercial AiO. It exactly matches the AiO when you want to swap out your display or add another for multi-screen productivity.

This way to 4K

Experience extraordinary color and clarity even in the finest details with 3840 x 2160 resolution and a billion colors. Get clear views from almost any angle on the 27" diagonal anti-glare IPS screen with a 3-sided micro-edge bezel.

Set up in moments

Easily switch the display head into your existing HP EliteOne 1000 AiO base with no tools required, or deploy it alongside an HP EliteOne 1000 AiO for a multi-display workspace. Get additional device connectivity from HDMI and DisplayPort™.

Ready to collaborate

Use the 2MP pop-up webcam with microphone to connect with colleagues; push down when not in use to help prevent cyber-spying. If you need IR for logins or image capture behind the screen, select an optional HP EliteOne 1000 IR & Dual-facing Webcam.

Get comfortable

Find your most comfortable, productive position with adjustable tilt and height settings.

Supported by HP

Rest easy that your IT investment is supported by a three-year standard limited warranty.
