Have you tried HP's Factory Configuration Services?

When you're deploying hardware to users across your organization, you want to be sure the systems are tailored to your needs and delivered on your terms and timelines. HP makes it happen with expert configuration, deployment, consulting, assessment, and design services that bring your users customized, ready-to-go PC products right from the factory.

HP Factory Configuration Services include:

- Imaging & Application Load
- Custom System Settings
- Integration and Packaging Services
- Labeling and Tagging Services

Program time frame: November 1, 2017 – April 30, 2018

Details: Buy AY101AV at \$12/unit, purchase additional HP Factory or Configuration Services at promotional prices. 500 units, deal closes before April 30, 2018
