

HP EliteBook 840 G5 Notebook PC

Beautifully crafted with the modern professional in mind, the highly secure and manageable HP EliteBook 840 offers powerful collaboration tools, so you can be as productive as ever, on the go or at the office.

HP recommends Windows 10 Pro.

Brilliant new design

This ultra-slim, precision-crafted aluminum laptop goes anywhere, and looks great doing it. An optional ultra-bright display² automatically adapts to any environment, for an optimal viewing experience wherever you work.

Built on a secure foundation

Protect your PC against the evolving malware threats of the future, with self-healing, hardware-enforced, and manageable security solutions from HP. From the BIOS to the browser HP Sure Start Gen4³ and HP Sure Click⁴ help secure your PC.

Crystal-clear collaboration

Calls sound crisp and clear with advanced collaboration features like HP Noise Cancellation. Loud top-firing speakers produce rich sound. The world-facing third microphone and collaboration keys help make PC calls productive.

A modern docking solution

Quickly transition to desktop productivity with a single USB-C™-cable⁵. The optional HP Thunderbolt Dock G2⁶ delivers enterprise manageability and an optional audio module⁷. Traditional side docking is also supported to work with your existing solution.

- Power through your day with Windows 10 Pro¹ and the powerful security, collaboration and connectivity features from HP.
- Help speed up demanding business applications with an optional 8th Gen quad-core Intel® Core™ processor⁸.
- Power through creative applications using high resolution 4k displays with optional AMD Radeon™ RX540 Discrete Graphics⁹.
- Never wonder if someone is watching you with the added peace-of-mind that comes from the integrated HP Privacy Camera⁹, with a physical shutter to protect from malicious surveillance.
- Protect your PC with the hardware-enforced self-healing protection of HP Sure Start Gen4³ that automatically recovers the BIOS.
- Keep your critical applications and processes running even if malware tries to shut them down with HP SureRun¹⁰.
- Instantly protect against visual hacking with the optional HP Sure View Gen2¹¹ integrated privacy screen. At the touch of a button your screen appears unreadable to those around you while you see your content clearly.
- Help protect your PC from websites and in-browser .pdf files infected with malware, ransomware, or viruses with HP Sure Click⁴.
- Fortify your security with up to three authentication factors including fingerprints and facial recognition¹¹.

HP EliteBook 840 G5 Notebook PC

Accessories and services (not included)

HP Thunderbolt Dock 120W G2

Reinvent docking and boost productivity with the sophisticated and small HP Thunderbolt Dock G2. Designed for workspace flexibility and network manageability, its single USB-C™ cable delivers device connectivity and optional integrated audio¹ to Thunderbolt™- and USB-C™²-enabled notebooks.³

Product number: ZUK37AA

HP UltraSlim Docking Station

Quickly and easily expand your display, network, and device connectivity to customize an always-ready workspace with the HP UltraSlim Docking Station, a simple one-click, slide-in side dock for select ultraslim HP EliteBook Notebook PCs.

Product number: D9Y32AA

HP Slim Professional Top Load Case

The HP Slim Ultrabook Top Load—a stylish, durable, and compact carrying case built for your Ultrabook™.¹ A black twill fabric accented with gray plaid combines form and function to help protect your hardware and give you a polished appearance.

Product number: F3W15AA

HP Wireless Collaboration Keyboard

Optimize productivity with a slim profile that conserves space and ultra-quiet scissor keys that foster focus, easy travel, and accurate typing. Get comfortable with adjustable slope, and breathe easy with a keyboard that resists minor spills.

Product number: Z9N39AA

HP 3 year Next Business Day Onsite HW Support w/Accidental Damage Protection-G2 for Notebooks

When hardware issues come up, the sooner you can get running again, the better. Have expertise at the ready with HP Hardware Next Business Day¹ Onsite Service with Accidental Damage Protection, and vastly improve your product uptime. With high-quality remote assistance or convenient onsite support available the next business day, help is there when you need it—so you can get back to work.

Product number: UC282E (for 1 year platforms), UC279E (for 3 year platforms)

Messaging Footnotes

- 1 Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers and/or software to take full advantage of Windows functionality. Windows 10 is automatically updated, which is always enabled. ISP fees may apply and additional requirements may apply over time for updates. See http://www.windows.com.
2 Ultra-bright display is an optional feature that must be installed at the factory.
3 HP Sure Start Gen4 is available on HP EliteBook products equipped with Intel® 8th generation processors.
4 HP Sure Click is available on select HP platforms and supports Microsoft® Internet Explorer and Chromium™. Check http://h20195.www2.hp.com/v2/GetDocument.aspx?docname=4AA7-0922ENW for all compatible platforms as they become available.
5 USB-C™ notebooks must be able to support power and video.
6 Sold separately or as an optional feature.
7 HP Audio Module sold separately and required for audio.
8 Intel® Quad Core™ processors are optional. Multicore is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. Intel's numbering, branding and/or naming is not a measurement of higher performance.
9 HP Privacy Camera only available on non-touch screens equipped with HD or IR camera and must be installed at the factory.
10 HP Sure Run is available on HP Elite PCs equipped with Intel® or AMD 8th generation processors.
11 HP Sure View integrated privacy screen is an optional feature that must be configured at purchase.

Technical Specifications Footnotes

- 1 Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers, software, BIOS updates to take full advantage of a Windows functionality. Windows 10 is automatically updated, which is always enabled. ISP fees may apply and additional requirements may apply over time for updates. See http://www.windows.com/.
2 Multi-core is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. Intel's numbering, branding and/or naming is not a measurement of higher performance.
3 Processor speed denotes a maximum performance mode. Processors will run at a lower speed in a battery optimization mode.
4 NOTE: In accordance with a Microsoft's support policy, HP does not support the Windows 8 and Windows 8 operating systems on products configured with Intel® and AMD 7th generation and forward processors or provide any Windows 8 or Windows 8 drivers on http://www.support.hp.com.
5 Due to the non-industry standard nature of some third-party memory modules, we recommend HP branded memory to ensure compatibility with your memory speeds, as the system will perform at the slower memory speed.
6 For storage drives, a GB is a billion bytes (10^9) and a TB is a trillion bytes (10^12). Actual formatted capacity is less. Up to 3 GB for Windows 10 is reserved for system recovery software.
7 Wireless access point and internet services require and sold separately. Availability of public wireless access points is limited. The specifications of the 802.11ac WLAN are draft specifications and are not final. At the final specifications differ from the draft specifications may affect the ability of the notebook to communicate with other 802.11ac WLAN devices.
8 WLAN module requires separately purchased service contract. Check with service provider for coverage and availability in your area. Connection speeds will vary due to location, environment, network conditions, and other factors.
9 Miracast is a wireless technology you can use to project your screen onto a TV projector and streaming.
10 The term "10/100/1000" or "Gigabit" Ethernet indicates compatibility with IEEE standard 802.3ab or Gigabit Ethernet, and does not indicate actual operating speed of 1 Gb/s. For a high-speed transmission, a connection to a Gigabit Ethernet server and network infrastructure is required.
11 HD content requires a viewable HD image.
12 Internet access is required.
13 Sold separately or as an optional feature.
14 Resolutions are dependent upon monitor capabilities and resolution and color depth settings.
15 HP SureView is an optional feature that must be configured at purchase.
16 HP Print Driver requires an internet connection to a HP web-enabled printer and a HP Print account registration for all eligible printers, as supported documents and image types and other HP Print details, see www.hp.com/go/epprintcenter. A Print & Scan connection is required.
17 HP Assistant requires a Windows and internet access.
18 HP PhoneWise Client is only available on select platforms. For supported platforms and HP PhoneWise system requirements see www.hp.com/go/HPPhoneWise.
19 HP Client Security Suite is only available on select Intel® or AMD 8th generation processors.
20 HP Driver Packs are not pre-installed, however available for download at http://www.hp.com/go/clientmanagement.
21 HP Manageability Integration Kit can be downloaded from http://www8.hp.com/us/en/ads/clientmanagement/overview.html
22 HP Client Management Suite subscription is required.
23 HP BIOSphere Gen4 features may vary depending on the BIOS platform and configuration. Requires 8th Gen Intel® processors.
24 Secure Erase of the methods outlined in the National Institute of Standards and Technology Special Publication 800-88. A supported on Elite platform with BIOS version F.03 or higher.
25 Absolute agent is shipped turned off and will be activated when customer activates subscription. A separate purchase of a subscription is required for a multi-year service. A limited check with Absolute for availability outside the U.S. Absolute Recovery Guarantee is a limited warranty. A certain conditions apply. For full details visit http://www.absolute.com/company/legal/agreements/acompurchase-agreement. A Data Deletion optional service is provided by Absolute Software. A full-time, 24-hour Recovery Guarantee is available and void in order to avoid a Data Deletion service. Customers must first sign a Pre-Authorization Agreement and then obtain a PIN or a purchase of a more RSA Secure Data Kit or Absolute Software.
26 HP Password Manager requires Internet Explorer or Chrome or Firefox. Some websites and applications may not be supported. User may need to enable allow the add-on extension in the Internet browser.
27 HP Finger Print Sensor is sold separately as an optional feature.
28 Microsoft Defender is available on select HP platforms and internet connection is required for updates.
29 HP Sure Click is available on select HP platforms and supports Microsoft® Internet Explorer and Chromium™. Check http://h20195.www2.hp.com/v2/GetDocument.aspx?docname=4AA7-0922ENW for all compatible platforms as they become available.
30 Supports HP Best Charge with 5W WaGA Adapter.
31 Availability may vary by country.
32 HP CarePacks are sold separately. A service level and response times for HP CarePacks may vary depending on your geographical location. Service start and date of hardware purchase. Restrictions and limitations apply. For details, visit www.hp.com/go/cpc. The services are governed by the applicable HP terms and conditions. A service provided or indicated to a customer at the time of purchase. A customer may have additional statutory rights according to applicable local laws, and such rights are not intended to be affected by the HP terms and conditions of service. A customer's warranty provided with your HP Product.
33 EPEAT® is registered where applicable. A EPEAT registration is by a country. See http://www.epeat.net for registration status by a country. Search keyword generator or HP Sure Start 3rd party option for a solar generator accessories at www.hp.com/go/options.
34 External power supplies, power cords, cables and peripherals are not included. A Halogen Service parts are obtained after purchase may not be a Halogen.
