

HP Chromebox G2

Boost productivity in the office and school with the affordable and easy to manage HP Chromebox. Get quick access to data and effortless collaboration with your team using cloud based G Suite for business and Android™ applications.

Lean and light rounded design

- Free up your workspaces with the impressively small, contoured, and mountable design of the HP Chromebox. It fits almost anywhere, including behind a compatible display^{2, 3}.

Powerful performance

- Tackle work and school projects by multitasking with powerful Intel® 7th or 8th gen processors⁴, up to 16GB memory, and Android™ apps¹.

Easy setup

- Remote management features make it easy to configure the HP Chromebox as a virtual desktop, a kiosk, or use it for digital signage in schools and businesses.

Universal connectivity and charging with USB-C™⁵

- Use the optional USB-C™ port to charge your HP Chromebox and accessories, connect to an optional HP USB-C™ Dock³ for port and device connectivity or up to two optional USB-C™-compatible 4K display² for large-screen productivity.

Featuring

- The Chrome OS™ delivers a low-maintenance experience with security and manageability.
- Office productivity built for business and designed for teams.
- Digital signage and self-service kiosks are a breeze with the affordable HP Chromebox.
- Help speed up demanding business applications with an optional 8th Gen quad-core Intel® Core™ processor, up to 16 GB memory, and up to 64 GB internal storage.
- The HP Quick Release Mounting Bracket helps make mounting and removal of your HP Chromebox behind select HP displays or to most flat surfaces a breeze.
- Stay productive with fast boot-up, browsing, and online tools.
- Easily re-arrange staff and user groups without moving machines with the HP Chromebox.

Product number: N3R88AA

HP 3-year Next Business Day Onsite Desktop Only Hardware Support

Receive 3 years of next business day onsite repair from an HP-qualified technician for your computing device, if the issue cannot be solved remotely. For more information on Care Pack services, please visit www.hp.com/go/cpc.

Product number: U6578E

Messaging Footnotes

¹ Android Apps sold separately and may require a subscription and internet access.

² Displays sold separately or as an optional feature.

³ Mounting hardware sold separately or as an optional feature.

⁴ Intel® Quad Core™ processors are optional. Multicore is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. Intel's numbering, branding and/or naming is not a measurement of higher performance.

⁵ Sold separately or as an optional feature.

⁶ For storage drives, GB = 1 billion bytes. Actual formatted capacity is less. Up to 5.1GB of system disk is reserved for system recovery software.

Technical Specifications Footnotes

¹ Multicore is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. Intel's numbering, branding and/or naming is not a measurement of higher performance.

² Shared video memory (UMA) uses part of the total system memory for video performance. System memory dedicated to video performance is not available for other use by other programs.

³ For storage drives, GB = 1 billion bytes. Actual formatted capacity is less. Up to 5.1 GB of the eMMC are dedicated/allocated to the Chrome OSTM and OS partitions.

⁴ Wireless access point required and sold separately. Availability of public wireless access points limited. The specifications for the 802.11ac WLAN are draft specifications and are not final. If the final specifications differ from the draft specifications, it may affect the ability of the product to communicate with other 802.11ac WLAN devices.

⁵ Not all power supplies are available in every region.

⁶ EPEAT® registered where applicable. EPEAT registration varies by country. See <http://www.epeat.net> for registration status by country. Search keyword generator on HP's 3rd party option store for solar generator accessories at www.hp.com/go/options

⁷ External power supplies, power cords, cables and peripherals are not Low Halogen. Service parts obtained after purchase may not be Low Halogen.
