

HP Elite Slice for Meeting Rooms G2 for Skype Room Systems

Simplify meetings with stress-free setup, an intuitive interface, and crisp audio on our versatile Skype Room System that seamlessly connects people².

HP recommends Windows 10 Pro.

- Windows 10 IoT Enterprise¹

One-touch collaboration

- Enjoy on-demand calling, easily add attendees, and share content with one-touch on the Center of Room Control using the familiar Skype for Business™ interface.

Crisp clear audio and video

- Isolate voices with advanced noise cancellation for clear communication and cast your team in the best light with optional cameras³.

Stress free. Worry free

- Get setup quickly with hassle free installation and intuitive user operation—no assembly or specialized skills required. Easily manage, deploy, and secure your meeting room system.

Featuring

- In-room meeting participants enjoy dual viewing angles and flexible accessibility on the versatile Skype Room System Center of Room Control.
- Call control is easier than ever with controls on the HP Elite Slice for Meeting Rooms and the Skype Room System Center of Room Control.
- The bright tri-colored light ring lets everyone in the room know the status of the call.
- HP Noise Cancellation improves collaboration by applying industry-leading noise-filtering technology to all inbound and outbound audio for effective online calls and meetings.
- Make sure that people calling into your conference can be heard and can hear you. Clearly communicate on your call with 90dB of space-filling audio and far-field mic pick up allowing everyone on the call to participate in the conversation.
- One-touch capacitive controls launch conference calls quickly, saving you time and boosting productivity.
- An optional HP Keyed Cable Lock 10mm and port cover helps keep your HP Elite Slice for Meeting Rooms safe and secure in the conference room.
- HP Sure Start with Dynamic Protection checks your BIOS every 15 minutes to help ensure uninterrupted productivity by automatically detecting and recovering from BIOS corruption.
- Eliminate the cable between your HP Elite Slice Skype Room System and your display with the HP Wireless Display Module.

HP Elite Slice for Meeting Rooms G2 for Skype Room Systems

Recommended Accessories and Services

HP DisplayPort to HDMI True 4K Adapter

Make the most of the available ports on your HP Business Desktop or HP Workstation with the HP DisplayPort to HDMI True 4K Adapter, which converts your DisplayPort™ output to HDMI for quick and easy connection to a range of multimedia devices that can support 4K resolution and 60hz refresh.

Product number: 2JA63AA

HP Master Keyed Cable Lock 10mm

Help keep your notebook safe in the office and high-traffic areas by tethering it to a secure surface with the HP Master Keyed Cable Lock 10mm, designed specifically for ultra-thin profile notebooks.

Product number: T1A63AA

HP VESA Plate

Mount your HP Elite Slice, Cover, and Modules to a fixed location on a desk or table with the HP VESA Plate, which allows them to be stacked and anchored with the 100 x 100 VESA pattern.

Product number: X8U74AA

HP USB-C to USB-A Hub

Optimize your workspace with easy connectivity to your frequently-used accessories in the office and on the road. Convert your notebook or tablet's USB-C™ port to a portable, lightweight USB hub and enable simultaneous connections to up to three USB accessories with the HP USB-C to USB-A Hub.

Product number: Z6A00AA

HP 3-year Next Business Day Onsite Optional Customer Self Repair Desktop/Workstation Only Hardware Service

Receive 3 years of next business day onsite repair from an HP-qualified technician for your computing device, if the issue cannot be solved remotely. For more information on Care Pack services, please visit www.hp.com/go/cpc.

Product number: UE379E

Messaging Footnotes

¹ Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers and/or software to take full advantage of Windows functionality. Windows 10 is automatically updated, which is always enabled. ISP fees may apply and additional requirements may apply over time for updates. See <http://www.windows.com>.

² Requires internet service.

³ Cameras are sold separately as an optional feature.

⁵ Sold separately or as an optional feature.

⁶ HP Wireless Display Module must be configured at the factory requires HDMI connection to display and USB for power.

Note: HP and Channel Partners cannot market or advertise Cortana in countries where the service is unavailable. At launch, Cortana will be available in the United States, the United Kingdom, China, France, Italy, Germany, and Spain.

Technical Specifications Footnotes

¹ Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers, software or BIOS update to take full advantage of Windows functionality. Windows 10 is automatically updated, which is always enabled. ISP fees may apply and additional requirements may apply over time for updates. See <http://www.windows.com>

² In accordance with Microsoft's support policy, HP does not support the Windows 8 or Windows 7 operating system on products configured with Intel and AMD 7th generation and forward processors or provide any Windows 8 or Windows 7 drivers on <http://www.support.hp.com>.

³ Multicore is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. Intel's numbering is not a measurement of higher performance.

⁴ HD content required to view HD images.

⁵ For storage drives, GB = 1 billion bytes. TB = 1 trillion bytes. Actual formatted capacity is less. Up to 30 GB (for Windows 10) is reserved for system recovery software.

⁶ Wireless cards are optional or add-on features and requires separately purchased wireless access point and internet service. Availability of public wireless access points limited.

⁷ Keyboards and mice are optional or add-on features.

⁸ HP USB Mouse: China only.

⁹ (1) M.2 2230 PCIe for WLAN; (1) M.2 2280 PCIe for NVMe SSD.

¹⁰ Absolute Persistence module: Absolute agent is shipped turned off, and will be activated when customers activate a purchased subscription. Subscriptions can be purchased for terms ranging multiple years. Service is limited, check with Absolute for availability outside the U.S. The Absolute Recovery Guarantee is a limited warranty. Certain conditions apply. For full details visit:

<http://www.absolute.com/company/legal/agreements/computrace-agreement>. Data Delete is an optional service provided by Absolute Software. If utilized, the Recovery Guarantee is null and void. In order to use the Data Delete service, customers must first sign a Pre-Authorization Agreement and either obtain a PIN or purchase one or more RSA SecurID tokens from Absolute Software.

¹¹ HP Support Assistant: requires Windows and Internet access.

¹² EPEAT[®] registered where applicable. EPEAT registration varies by country. See <http://www.epeat.net> for registration status by country. Search keyword generator on HP's 3rd party option store for solar generator accessories at www.hp.com/go/options
