

HP 14s Laptop PC

Dependable power. Designed to go.

This slim, ultra-portable laptop delivers reliable performance, and makes it easy to stay social, productive, and connected to what matters with a battery that lasts up to 14 hours.¹ The micro-edge display gives you lots to look at with more screen in a smaller frame.

Micro Edge Bezel Display

Thin and light design

High Performance

Battery full

Sleek. Slim. Stylish design.

Designed for portability, this lightweight laptop has a micro-edge HD² display with ultra-narrow bezel, giving you lots of screen in a smaller frame

Responsive and reliable performance.

With the latest Intel® Core™ processor, discrete graphics option and a super responsive precision touch pad – you've got the power to surf, stream,³ and do more like never before.

Stay Connected and Entertained

With up to 14 hours of battery life and fast-charge technology, this laptop lets you work and play all day. Includes a hard drive up to 1TB HDD to store photos, videos, and music—plus a USB-C™ port ready for the future of connectivity.

¹Windows 10/ MM14 battery life will vary depending on various factors including product model, configuration, loaded applications, features, use, wireless functionality, and power management settings. The maximum capacity of the battery will naturally decrease with time and usage. See bapco.com/products/mobilemark-2014/ for additional details. ²HD (High Definition) content required to view HD images ³Internet service required and not included.

Features

Windows 10¹

Do great things confidently with the familiar feel of Windows - only better.

HP Fast Charge²

When your laptop is low on power, no one has time to wait hours to recharge. Power down your device and go from 0 to 50% charge in approximately 45 minutes.

USB-C™^{3,4}

Power your device, transfer up to 5Gbps of data, or connect to an external display all from just one USB-C™ port. And it's reversible, so you never have to worry about plugging in upside down.

Dual Storage (SSD+HDD)

By including both an SSD drive for the operating system and a traditional hard drive you get the benefits of both worlds—fast boot up times, snappy responsiveness, and larger storage capacity.

Tuned stereo speakers

Through rigorous testing and refinement, HP custom tunes the dual speaker setup in every notebook for exceptional stereo quality.

Choose your colour⁵

Personalize your PC with your choice of colour, for style that matches yours.

Dropbox cloud storage⁶

Store and synchronize your content online with Dropbox. Get 25GB of storage for one year to access, manage, and share your photos, music, and files from anywhere with Internet access

McAfee LiveSafe 30-day trial⁷

Protect your operating system with a free 30-day McAfee LiveSafe subscription.

Intel® Optane™

Get near SSD performance without sacrificing the storage of your traditional hard drive. This smart system accelerator learns from your everyday computing and helps your performance—making everything fast, smooth, and responsive.⁸

¹ Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers, software or BIOS update to take full advantage of Windows functionality. Windows 10 is automatically updated, which is always enabled. ISP fees may apply and additional requirements may apply over time for updates. See microsoft.com ² Recharges your battery up to 50% within 45 minutes when the system is off (using "shut down" command). Recommended for use with the HP adapter provided with the laptop, not recommended with a smaller capacity battery charger. After charging has reached 50% capacity, charging speed will return to normal speed. Charging time may vary +/-10% due to System tolerance. Available on select HP Spectre 2-in-1 and HP x2 PC models. See store.hp.com for a full list of product features. ³ Transfer rate may vary. All performance specifications represent the typical specifications provided by HP's component manufacturers; actual performance may vary either higher or lower. ⁴ USB Type-C™ and USB-C™ are trademarks of USB Implementers Forum. ⁵ Colours may vary by region. ⁶ 25GB of free online storage for one year from date of registration. For complete details and terms of use, including cancellation policies, visit the website at dropbox.com. Internet service required and not included. ⁷ Internet service required and not included. Subscription required after 30 days. ⁸ 7th Generation Intel® Core™ i processor or later required.

¹ Not all features are available in all editions or versions of Windows 10. Systems may require upgraded and/or separately purchased hardware, drivers, software or BIOS update to take full advantage of Windows functionality. Windows 10 is automatically updated, which is always enabled. ISP fees may apply and additional requirements may apply over time for updates. See microsoft.com. ² Some models may not feature all the listed components and vary depending on configuration. ³ High Definition content (e.g. WMV HD files) is required to view high definition images. Most current DVDs do not provide high definition images. ⁴ Wireless regulatory differs from country to country. ⁵ Battery life will vary depending on various factors including product model, configuration, loaded applications, features, use, wireless functionality, and power management settings. The maximum capacity of the battery will naturally decrease with time and usage. See bapco.com for additional details. ⁶ Available in certain countries. ⁷ Not Available for China. ⁸ Recharges your battery up to 50% within 45 minutes when the system is off (using "shut down" command). Recommended for use with the HP adapter provided with the notebook, not recommended with a smaller capacity battery charger. After charging has reached 50% capacity, charging speed will return to normal speed. Charging time may vary +/-10% due to System tolerance. Available on select HP Envy, HP Omen and HP Pavilion models. See store.hp.com for a full list of product features. ⁹ Multi-core is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. Intel's numbering is not a measurement of higher performance. Intel, Pentium, Intel Core, Celeron, Intel logo and the Intel Inside logo are trademarks of Intel Corporation in the U.S. and other countries. ¹⁰ Intel® Turbo Boost performance varies depending on hardware, software and overall system configuration. See intel.com/technology/turboboost for more information.

Recommended Accessories

HP Wireless Mouse Z3700

(X7Q43AA/X7Q44AA/X7Q45AA/VOL79AA/VOL80AA/
VOL81AA/VOL82AA/1CA96AA)

Gold, Silver, Purple, Black, White, Blue, Red, Hearts

It's time your accessories matched your individuality. Meet your new wireless mouse¹, carefully crafted to bring its unique slim style to your work. It's functional. It's portable. It's fashionable. It's yours.

HP Stereo Headset H2800

(2AP94AA/2AP95AA)

Silk Gold, Pike Silver

Enjoy immersive sound and a comfortable fit with the convenience of an in-line microphone and audio controls. The wired HP H2800 Headset works with most computers, tablets, and smartphones so you can use one headset across your devices.

HP Reversible Neoprene Sleeve

(2UF59AA/2UF60AA/2UF61AA/2TX16AA/2TX17AA)

Black/Gold, Black/Silver, Black/Silver Geometric

Wrap your laptop in a snug, colourful sleeve. The durable neoprene material helps keep your PC safe from the elements, as well as from bumps and scrapes. Easily reversible so you can change colours to suit your mood.

¹ Wireless connectivity up to 30ft (10m).
