## BANG & OLUFSEN

Bang & Olufsen  
Audio

### Perform at a higher level

Tap into truly impressive notebook performance with AMD® Ryzen™, Radeon™ Vega graphics and up to 10:30 hours of battery life<sup>1</sup> for work and play.

### Highly intuitive creation

Create naturally with simultaneous pen and touch support, Windows Ink<sup>2</sup>, and an edge-to-edge, full-size keyboard with numpad. Enjoy easy logins with the FHD IR camera.

### Elevated entertainment

Immerse yourself in next-level entertainment on an ultra-bright FHD<sup>3</sup> micro edge display. Dual HP Speakers custom-tuned by experts at Bang & Olufsen awaken your senses with PC audio perfection.

<sup>1</sup> Windows 10 MobileMark 14 Battery life will vary depending on various factors including product model, configuration, loaded applications, features, use, wireless functionality, and power management settings. The maximum capacity of the battery will naturally decrease with time and usage. See [bapco.com/products/mobilemark-2014/](http://bapco.com/products/mobilemark-2014/) for additional details. <sup>2</sup> Some features including voice supported Cortana, inking, and Continuum require more advanced hardware. See [windows.com](http://windows.com). Apps sold separately. <sup>3</sup> Full high definition (FHD) content required to view FHD images.

## Features

### Micro edge display\* with edge-to-edge keyboard

This beautifully efficient design couples an ultra-thin bezel with an edge-to-edge keyboard, maximizing display and keyboard area.

### HP Fast Charge<sup>2</sup>

Power down your device and go from 0 to 50% charge in approximately 45 minutes.

### Dual 4K support<sup>1</sup>

Complete with all the ports necessary for an immersive dual 4K set up, get an expansive entertainment or productivity experience by easily connecting two external 4K displays.

### Backlit keyboard with integrated numeric pad

Keep going even in dimly lit rooms or aboard red-eye flights. With an illuminated keyboard and integrated numeric pad, you can type comfortably in more environments.

### An exceptionally rich audio experience

With HP Dual Speakers, HP Audio Boost, and custom tuning by the experts at Bang & Olufsen, entertainment comes to life with sound you can feel. Awaken your senses with PC audio perfection.

### HP Sure View (Optional) integrated privacy screen

Simply press F1 to activate the privacy screen, protecting your confidential and private data from prying eyes. Press again to share your screen with those around you.<sup>3</sup>

### USB-C™ 4,5

Power your device, transfer up to 5Gbps of data, or connect to an external display all from just one USB-C™ port. And it's reversible, so you never have to worry about plugging in upside down.

### All metal chassis

See and feel a heightened sense of craftsmanship with an all-metal angular design, polished accents, and high-quality materials built to last.

### Sleek design

Easily take this thin and light PC from room to room or on the road. When your PC goes wherever you go, staying productive and entertained has never been easier.

### 360° geared hinge

Innovatively engineered to rotate 360° so that you can use your device in four modes. Work in laptop mode, watch in stand mode, play in tent mode, and go in tablet mode.

### Elegant craftsmanship

A refined convertible design changes the way you see technology, with a chiseled look along the back and an angular profile along the sides.

### HP IR Camera<sup>5</sup>

Log in safely through Windows Hello with the IR sensor, and video chat with your entire family in stunning detail thanks to the 88° wide-angle field of view.

\* Micro Edge Bezel: Below 7mm including A/rear cover. Bezel measurement is from the inside edge of the inactive area of the display panel to the inside edge of the PC casing. <sup>1</sup> 4K content required to view full 4K images. <sup>2</sup> Recharges your battery up to 50% within 45 minutes when the system is off (using "shut down" command). Recommended for use with the HP adapter provided with the laptop, not recommended with a smaller capacity battery charger. After charging has reached 50% capacity, charging speed will return to normal speed. Charging time may vary +/-10% due to System tolerance. Available on select HP Spectre 2-in-1 and HP x2 PC models. See [store.hp.com](https://store.hp.com) for a full list of product features. <sup>3</sup> Only on FHD SKUs. <sup>4</sup> Transfer rate may vary. All performance specifications represent the typical specifications provided by HP's component manufacturers; actual performance may vary either higher or lower. <sup>5</sup> Features may require software or other 3rd party applications to provide the described functionality.

<b>Dimensions (mm)/Weight (kg)</b>	359 x 246 x 18.9 mm / From 2.04 kg

<sup>1</sup> Not all features are available in all editions or versions of Windows 10. Systems may require upgraded and/or separately purchased hardware, drivers, software or BIOS update to take full advantage of Windows functionality. Windows 10 is automatically updated, which is always enabled. ISP fees may apply and additional requirements may apply over time for updates. See [microsoft.com](https://microsoft.com). <sup>2</sup> Some models may not feature all the listed components and vary depending on configuration. <sup>3</sup> High Definition content (e.g. WMV HD files) is required to view high definition images. Most current DVDs do not provide high definition images. <sup>4</sup> Wireless regulatory differs from country to country. <sup>5</sup> Battery life will vary depending on various factors including product model, configuration, loaded applications, features, use, wireless functionality, and power management settings. The maximum capacity of the battery will naturally decrease with time and usage. See [bapco.com](https://bapco.com) for additional details. <sup>6</sup> Available in certain countries. <sup>7</sup> Not Available for China. <sup>8</sup> Available for China only. <sup>9</sup> Recharges your battery up to 50% within 45 minutes when the system is off (using "shut down" command). Recommended for use with the HP adapter provided with the notebook, not recommended with a smaller capacity battery charger. After charging has reached 50% capacity, charging speed will return to normal speed. Charging time may vary +/-10% due to System tolerance. Available on select HP Envy, HP Omen and HP Pavilion models. See [store.hp.com](https://store.hp.com) for a full list of product features. <sup>10</sup> Multi-core is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. Intel's numbering is not a measurement of higher performance. Intel, Pentium, Intel Core, Celeron, Intel logo and the Intel Inside logo are trademarks of Intel Corporation in the U.S. and other countries. <sup>11</sup> Intel® Turbo Boost performance varies depending on hardware, software and overall system configuration. See [intel.com/technology/turboboost/](https://intel.com/technology/turboboost/) for more information.
