

HP t430 Thin Client

Optimized for desktop virtualization and cloud-based applications, the intuitive HP t430 Thin Client is easy for end users to understand and simple for IT administrators to maintain.

Refined from the inside out

- Everything from the user interface to the compact design and processing power delivers a modern computing experience.

Better connected

- Although small in size, the HP t430 Thin Client is full of possibilities with USB-C™ for power and transfer of audio and data, a variety of video outputs, and Ethernet and Wi-Fi¹ connections.

Administration made easy

- Simplify the complexity of setting up a virtual desktop or cloud device with a thin client pre-configured with your choice of the Linux®-based HP ThinPro or Windows 10 IoT Enterprise operating system and HP manageability software.

Featuring

- Whether you choose the Linux® based HP ThinPro or Windows 10 IoT option, users will get an intuitive, natural interface and familiar navigation.
- Designed with a sleeker profile and built-in VESA mount, the HP t430 Thin Client can be mounted on the back of a display or placed discreetly on or under a desk or in a kiosk.
- Get more than enough performance for all your tasks with the latest-generation Intel® Celeron® processor with speeds up to 2.6 GHz, DDR4 memory, solid-state storage, and support for a 4K display.
- Connect instantly with Citrix®, VMware®, Microsoft® RDP, and default web browsers right out of the box. Communicate and collaborate with support for Skype for Business® and Cisco VXME.
- Add your devices and displays and connect to your network with input/output ports that include USB-C™, DisplayPort™, HDMI, and LAN or optional Wi-Fi¹ with integrated adapters and antennas.
- Connect instantly with Citrix®, VMware®, Microsoft® RDP, and default web browsers right out of the box. Communicate and collaborate with support for Skype for Business® and Cisco VXME.
- Select the Linux®-based HP ThinPro or Windows 10 IoT Enterprise OS to drive your processing power, memory, and SSD and reliably run cloud applications or virtual desktops.
- Sometimes less is more. Each system comes with a simplified OS and essential applications for a fast and easy configuration and deployment.
- Built-in HP Device Manager software easily tracks, configures, and updates your devices. With HP Easy Shell, you can customize the interface and level of protection to fit your needs.

HP t430 Thin Client Specifications Table

Available Operating Systems	Windows 10 IoT Enterprise for Thin Clients HP ThinPro HP Smart Zero Core
Browser	Internet Explorer 11 (for models with Windows IoT Enterprise for Thin Clients); Mozilla Firefox 32
Available Processors	Intel® Celeron® N4000 with Intel® UHD Graphics 600 (1.1 GHz base frequency, up to 2.6 GHz burst frequency, 2 MB cache, 2 cores) ¹
Maximum Memory	4 GB DDR4 SDRAM ² (Transfer rates up to 2400 MT/s.)
Internal Storage	16 GB up to 32 GB Flash memory
Available Graphics	Intel® UHD Graphics 600
Audio	Headphone/microphone mini-jack ⁴
Display Support	Single or dual displays supported using one or two of the available video outputs.
Protocols	Citrix® HDX; Citrix® ICA; Microsoft RDP; Microsoft RFX; VMware Horizon® View™ through PCoIP; VMware Horizon® View™ through RDP
Input Devices	HP USB Slim Business Keyboard ⁵ ; HP USB Optical Mouse ⁵
Ports and Connectors	Side: 1 audio-in; 1 USB 2.0; 1 USB 3.1 Type-C™ Back: 1 DisplayPort™; 1 RJ-45; 2 USB 2.0; 1 HDMI port
Dimensions (W x D x H)	13.5 x 13.5 x 3.2 cm
Weight	Weight will vary depending on configuration. 0.74 kg Weight will vary depending on configuration.
Software	HP Device Manager; HP Easy Shell; HP Smart Zero Client Services; HP ThinState; HP ThinUpdate ⁸
Power	45 W, worldwide auto-sensing, 100-240 VAC, 50-60 Hz, energy saving automatic power-down, surge tolerant external adapter
Environmental	Low halogen ⁷
Energy Efficiency Compliance	ENERGY STAR® certified and EPEAT® Gold registered ⁶

HP t430 Thin Client

Accessories and services (sold separately)

HP Thin Client Mount Kit

Attach your HP Thin Client or USDT PC to the back of select HP Z Displays and maintain optimal ergonomic adjustability with the HP Thin Client Mount Kit.¹

Product number: E5J35AA

HP Quick Release Bracket

A secure and easy-to-use mounting solution for your VESA-compliant HP thin clients, compatible HP flat panel monitors and other HP desktop products. Attach to any a compatible stand, bracket or wall mount and make the most of your workspace.

Product number: EM870AA

HP PC Mounting Bracket for Monitors

Maximize available work area with a single-footprint solution. Simply attach the bracket to the back of your display, and your PC platform to the bracket.

Product number: N6N00AA

HP 5-year Next Business Day Thin Client Only Hardware Support

Receive 5 years of next business day onsite repair from an HP-qualified technician for your computing device, if the issue cannot be solved remotely. For more information on Care Pack services, please visit www.hp.com/go/cpc.

Product number: U7933E

Messaging Footnotes

¹ All wireless options are sold separately or as optional features. For all 802.11 wireless, wireless access point and Internet service is required and is not included. Availability of public wireless access points is limited.

² Display and mounting hardware sold separately.

³ Sold as a configurable option.

Technical Specifications Footnotes

¹ Multicore is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. Intel's numbering, branding and/or naming is not a measurement of higher performance.

² Graphics chipset uses part of the total system memory (SDRAM) for graphics performance. System memory dedicated to graphics performance is not available for other use by other programs.

³ Wireless access point and Internet service required and sold separately. Availability of public wireless access points limited. The specifications for the 802.11ac WLAN are draft specifications and are not final. If the final specifications differ from the draft specifications, it may affect the ability of the notebook to communicate with other 802.11ac WLAN devices.

⁴ This product does not include an internal PC speaker. All audio must be produced using peripheral devices, i.e. headsets, headphones, speakers, connected to the system through the 3.5 mm headset jack.

⁵ Optional or add-on feature.

⁶ EPEAT® registered where applicable. EPEAT registration varies by country. See <http://www.epeat.net> for registration status by country. Search keyword generator on HP's 3rd party option store for solar generator accessories at www.hp.com/go/options.

⁷ External power supplies, power cords, cables and peripherals are not low halogen. Service parts obtained after purchase may not be low halogen.

⁸ HP ThinUpdate available as an add-on only for configurations using Windows Embedded operating systems.
