Spectre-ENVY pop up camera

Spectre-ENVY High performance

## BANG & OLUFSEN

Bang & Olufsen Audio

### Arresting design

Designed to stop you in your tracks, this massive, curved micro-edge display with integrated privacy camera practically floats above a sculpted aluminum stand and sound bar.

### Power and performance

Experience pulse-pounding performance with an industry-leading Intel® Core™ processor, wireless charging, and NVIDIA® GeForce® GTX 1050 graphics. It's time to enjoy every aspect of the entertainment you love.

### Surrounding your senses

This is an entirely new world of sight and sound. Embrace the ultimate cinematic experience on an HDR-compatible, UltraWide QHD<sup>1</sup> 34-inch diagonal display with quad speakers and Audio by Bang & Olufsen

<sup>1</sup> Quad high-definition (QHD) content required to view QHD images.

## Features

### Wireless charging

Experience a new level of convenience with wireless charging built right into the base. Just place any compatible smartphone onto the base for completely cord-free charging.

### HP Privacy Camera

This innovative webcam was designed to pop up only when in use, and tuck safely out of sight when it's not, keeping you safe online.

**BANG & OLUFSEN**

### Quad speakers and dual passive radiators with Bang & Olufsen

Quad speakers, dual passive radiators, and custom tuning by the experts at Bang & Olufsen deliver dynamic sound in all frequencies for enhanced audio and improved bass.

### HP TrueVision HD IR Camera<sup>1</sup>

The infrared sensor gives you the added security of Windows Hello, for a safer way to log in to your computer. And get vibrant clarity when you're video chatting, even in low light.

### Sound bar for incredible audio

Embedded in the sound bar, front-firing quad speakers direct sound toward you at a 45-degree angle for clear, loud audio. And the intuitive touch controls of the audio dial allow you to easily adjust the volume.

### Technicolor Colour Certified

Watch movies in true-to-life colour on a device certified to meet the same strict standards for colour precision as those used in Hollywood.

### USB-C™ Thunderbolt™<sup>2</sup>

Power your device, connect an external display, or transfer data at a blazing 40 Gb/s all from one impressive USB-C™ Thunderbolt™ port. And it's reversible, so you never have to worry about plugging in upside down.

### Micro Edge display<sup>4</sup>

By squeezing a larger screen into a smaller frame, this ultra-thin, barely visible bezel revolutionizes your display's appearance with a beautifully efficient design.

### Ultra WQHD Curved Display

Give all your entertainment a new level of immersion with impressive 3440 x 1440 resolution. The subtly curved display surrounds you with 5 million pixels for captivating definition and ultra-sharp details.<sup>5</sup>

### HP Jumpstart

When you boot up your PC for the first time, get a personal walkthrough during the setup and get an informative overview of your PC's features.

### Dropbox cloud storage<sup>3</sup>

Store and synchronize your content online with Dropbox. Get 25GB of storage for one year to access, manage, and share your photos, music, and files from anywhere with Internet access.

### NVIDIA® GeForce® GTX 1050 graphics

Advanced graphics processing powers everything from the latest games, to visually demanding design or editing work with fewer slowdowns, hiccups, and stuttering.

<sup>1</sup> Features may require software or other 3rd party applications to provide the described functionality. <sup>2</sup> Transfer rate may vary. All performance specifications represent the typical specifications provided by HP's component manufacturers; actual performance may vary either higher or lower. USB Type-C™ and USB-C™ are trademarks of USB Implementers Forum. <sup>3</sup> 25GB of free online storage for one year from date of registration. For complete details and terms of use, including cancellation policies, visit the website at [www.dropbox.com](http://www.dropbox.com). Internet service required and not included. <sup>4</sup> Micro Edge Bezel: Below 7mm including A/rear cover. Bezel measurement is from the inside edge of the inactive area of the display panel to the inside edge of the PC casing. <sup>5</sup> Ultra-wide quad high-definition (UWQHD) content is required to view UWQHD images.
