

Brief

Onshore Support standard

with every Care Pack purchase for HP commercial PCs¹

Get Onshore Support with every Care Pack purchase in U.S. and Canada for HP commercial PCs! With Onshore Support, you receive assistance from knowledgeable U.S. or Canada-based technical experts depending on language requirements

You'll get the fast, friendly support your business needs while:

- Helping your IT staff **save time by resolving issues quickly**—often with just one call
- Receiving **improved technical communications** from North American based technicians
- Experiencing **reduced wait times** compared to offshore support

Improve your efficiency with HP PC Services

In business, every minute counts. That's why we offer a comprehensive portfolio of HP PC Services designed to keep your PC devices running smoothly so you can work more efficiently and effectively.

HP PC Services are designed to help you:

- **Control expenses**—Avoid unexpected costs and save money over the life of your product.
- **Reduce downtime**—Get your PCs back up and running fast.²
- **Manage your products**—Properly maintain your PCs to keep them longer and better plan the timing of replacement products.
- **Reduce business disruption**—Protect laptops from accidents and reducing theft and data security risks.
- **Enjoy flexible support**—Remote offices and home-based workers can manage their own support—no IT department needed.
- **Protect the environment**—Extending the life of your PCs with proper maintenance can help reduce your company's impact on the environment.
