

HP EliteDisplay S14 14-inch Portable Display

Unfold dual-display productivity anywhere you work—on your own, in groups or at client sites—with the HP EliteDisplay S14 USB Portable Monitor, HP's first portable 14" USB-C™ display. Fold back the wraparound easel cover, stand up, and connect to your device with just one USB-C™ cable.¹

Perfectly portable

- Maximize your productivity and lighten your load with a Full HD display that weighs 1 kg and is less than 9 mm thick, so you can tuck it into your carrying case alongside your device without weighing you down.

Easy USB-C™ efficiency

- Set up quickly with just one USB-C™ cable: that transfers video and pulls power from your notebook or tablet - no power cable required.

Customize your settings

- Control brightness, contrast, and response time, and activate HP Low Blue Light mode to filter blue light emission and shift colors to a warmer spectrum for more comfortable viewing, all from the intuitive OSD.

Featuring

- Fold back the beautiful cover to reveal the 14" diagonal IPS glass panel screen on HP's first portable Full HD display. It has 1920 x 1080 resolution, a 16:9 aspect ratio, and fast 5 ms response time—perfect for single and group viewing.
- Carry a display that sets a style standard with an aesthetic that complements HP PCs. The smooth, easy-to-carry wraparound case helps protect the display when you're on the go, and is an adjustable easel on a desk or table when you stop to work.
- Rest assured that your IT investment is supported by a three-year standard limited warranty. To extend your protection, select an optional HP Care service.
