

Introducing the world's smallest laser in its class¹

HP LaserJet Pro M15 and MFP M29w

HP LaserJet Pro MFP M29w

HP LaserJet Pro M15w

Productivity
that fits anywhere

Uncompromising
quality

Easy mobile printing and scanning
with the HP Smart App²

The perfect fit for virtually any space and budget

Tackle projects with an ultra-small, affordable HP LaserJet Pro. Get fast printing, plus productive MFP performance (M29w), and the professional, reliable quality you expect.

Productivity that fits anywhere

Finish printing projects fast using the world's smallest laser in its class.¹ Plus, scan and copy (MFP M29w) and easily complete tasks, with intuitive scan-to and copy solutions.

Uncompromising quality

Get affordable, reliable performance from the start. Produce the professional quality you expect from an HP LaserJet, right out of the box.

Easy mobile printing and scanning with the HP Smart App²

Stay connected to business. Print and scan from your smartphone, save scans and send to your printer, check supplies, and easily order toner with the HP Smart App.²

Productivity that fits anywhere

Get fast performance from the world's smallest laser in its class,¹ and quickly finish projects.

Fast printing

Maximize your uptime with print speeds up to 19 pages per minute (ppm).³

Versatile performance

Tackle the essentials with the HP LaserJet Pro MFP M29w and time-saving scan and copy features. Turn paper files into digital assets and send your work to more places with preloaded business apps.⁴ Easily copy both sides of identification cards onto the same side of one sheet of paper.

Small size, professional prints

Get ultra high-quality prints, plus reliability you can count on from a laser so small, it can fit almost anywhere.

Designed for simplicity

Smartly and elegantly designed, this laser is extremely intuitive to use. It not only looks streamlined and simple, it is.

Uncompromising quality

Get the performance and reliability you want for less, right out of the box. These compact lasers deliver exceptional quality you can rely on.

Laser quality, page after page

Count on getting consistently superb prints from a surprisingly small laser, using an Original HP Toner cartridge. Get the quality you expect from an industry leader.

On when you need it, off when you don't

Help save energy with HP Auto-On/Auto-Off Technology—intelligence that can turn your printer or MFP on when you need it and off when you don't.⁵

Ready to work, right away

Speed through print jobs using a pre-installed, specially designed Original HP Toner cartridge.

Easy mobile printing and scanning with the HP Smart App²

Print from a variety of mobile devices,⁶ scan from your smartphone with the HP Smart App,² and easily access and share resources with built-in wireless capabilities.⁷

Print from the cloud, scan from your smartphone, and more²

Get the app that's designed to completely control your printer. Print from your smartphone, scan on the go, and easily order toner with the HP Smart App.²

Your device, your choice

Easily print documents, presentations, and other business materials directly from your smartphone or tablet.⁶

Extend your printing reach

Keep your office connected. Built-in wireless capabilities let you easily access, print, and share resources on a network.⁷

No network, no problem

Easily print from your smartphone and tablet without a network—anywhere in your workspace. Wi-Fi Direct[®] printing lets you connect your smartphone or tablet directly to your printer.⁸

The power of your printer in the palm of your hand

Print business documents, scan from your smartphone, and easily order toner with the HP Smart App.²

Printing just got more productive

Download the HP Smart App from your mobile device app store.

Quickly access and print documents on your smartphone, from Dropbox and Google Drive™.²

Amazing scanning, now on your smartphone

Scan multiple pages using your camera and save as PDF or JPEG, then share to your printer or MFP, email, or the cloud—from virtually anywhere.²

Manage your printer and supplies, effortlessly

Control your printer or MFP from virtually anywhere with your smartphone. Monitor and order supplies directly through the app.²

The HP Smart App is compatible with Apple and Android™ devices.

If you don't have access to the Internet, contact your qualified HP dealer.

HP LaserJet Pro M15w

HP LaserJet Pro MFP M29w

¹ World's smallest in-class footprint compared only to dimensions of majority of worldwide personal laser printers (defined as monochrome laser printers <\$100 USD and monochrome laser MFPs <\$150 USD); HP internal research of printer manufacturers' published specifications as of October 9, 2017 and Keypoint Intelligence-Buyers Lab 2017 study commissioned by HP. Market share as reported by IDC CYQ2 2017 Hardcopy Peripherals Tracker. Measured footprint for HP LaserJet Pro M15 printer series is 100.64 square inches and for HP LaserJet Pro MFP M28 series is 148.2 square inches. For details, see keypointintelligence.com/products/samples/new-hp-laserjet-series.

² Requires the HP Smart App download. Features controlled may vary by mobile device operating system. Full list of supported operating systems and details at <http://support.hp.com/us-en/document/c03561640>. For details on local printing requirements see hp.com/go/mobileprinting.

³ Measured using ISO/IEC 24734, excludes first set of test documents. For more information, see hp.com/go/printerclaims. Exact speed varies depending on the system configuration, software application, driver, and document complexity. For details, see hpconnected.com.

⁴ Scan with business apps is available with the HP LaserJet Pro MFP M28w model only. Requires an Internet connection to the printer. Services may require registration. App availability varies by country, language, and agreements. For details, see hpconnected.com.

⁵ HP Auto-On/Auto-Off Technology capabilities subject to printer and settings; may require a firmware upgrade.

⁶ For details on local printing requirements, see hp.com/go/mobileprinting.

⁷ Wireless operations are compatible with 2.4 GHz and 5.0 GHz operations only. Learn more at hp.com/go/mobileprinting. Wi-Fi is a registered trademark of Wi-Fi Alliance®.

⁸ Mobile device needs to be connected to Wi-Fi Direct® signal of a Wi-Fi Direct-supported AiO or printer prior to printing. Details at hp.com/go/mobileprinting. Wi-Fi Direct is a registered trademark of Wi-Fi Alliance®.

⁹ Requires Google Cloud Print™ registration and Google™ account. Learn more at hp.com/go/mobileprinting.

¹⁰ Mobile device must have iOS v7.0 or higher. Learn more at hp.com/go/mobileprinting.
