

HP Pavilion All-in-One

Peace of mind—at the center of your home

Bring your digital world to the center of your home with the strikingly designed Pavilion All-in-One PC. An integrated pop-up camera safeguards what matters most, so you can create, work, and play with confidence.

Snowflake White

High Performance

B&O PLAY

Sound, stereo

Ultra slim

Dependable performance

Multitasking feels easy and fast with the performance of a powerful PC. With up to an 8th generation Intel® Core™ i7 processor¹ and advanced graphics options—you have all the power you need to get things done.

Cinematic sound. Perfect picture

Elevate every video and photo with a Full HD² or Quad HD³ (select 27" SKUS only) narrow bezel touchscreen, and enjoy rich, authentic audio on dual speakers custom-tuned by experts at B&O PLAY.

A perfect blend of form and function

With a modern frame and fabric accents, this All-in-One PC is designed to be stunning in any setting. Its ultraslim profile takes up minimal space, and the aluminum stand ensures maximum durability.

¹ Multi-core is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. Intel's numbering, branding and/or naming is not a measurement of higher performance. ² Full high-definition (FHD) content required to view FHD images. ³ Quad high-definition (QHD) content required to view QHD images.

Features

New design with 3 sided narrow bezel

The narrow bezels mean a smaller overall design and a better viewing experience.

Pop-up web cam

Feel more secure with the pull-up/push down privacy camera

HP Immersive Audio

An unparalleled audio experience for movie watching on a PC – adapting to your needs and automatically optimizing settings to the apps you use.

Dual Storage (SSD+HDD)

By including both an SSD drive for the operating system and a traditional hard drive you get the benefits of both worlds—fast boot up times, snappy responsiveness, and larger storage capacity.

Windows 10 (with Windows Hello)

Do great things confidently with the familiar feel of Windows¹ – only better. Be more secure, more productive, and get more personal with preinstalled features and enhancements like Windows Hello and Cortana.²

McAfee LiveSafe 30-day

Protect your operating system with a free 30-day McAfee LiveSafe subscription.³

Dropbox cloud storage

Store and synchronize your content online with Dropbox. Get 25GB of storage for one year to access, manage, and share your photos, music, and files from anywhere with Internet access.⁴

SD Card Reader

Simply insert an SD card and increase your device's storage for more movies, photos, and music, or easily access any content you have stored on an existing card.

USB-C™

Power your device, transfer up to 10Gb/s of data⁵, or connect to an external display all from just one USB-C™ port.⁶ And it's reversible, so you never have to worry about plugging in upside down.

Intel® Optane™

Get near SSD performance without sacrificing the storage of your traditional hard drive. This smart system accelerator learns from your everyday computing and helps your performance—making everything fast, smooth, and responsive.⁷

NVIDIA® GeForce® Graphics

Advanced graphics processing powers everything from the latest games, to visually demanding design or editing work with fewer slowdowns, hiccups, and stuttering.

¹ Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers, software or BIOS update to take full advantage of Windows functionality. Windows 10 is automatically updated, which is always enabled. ISP fees may apply and additional requirements may apply over time for updates. See microsoft.com. ² Some features including voice supported Cortana, inking, and Continuum require more advanced hardware. See windows.com. Apps sold separately. ³ Internet service required and not included. Subscription required after 30 days.

⁴ 25GB of free online storage for one year from date of registration. For complete details and terms of use, including cancellation policies, visit the website at dropbox.com. Internet service required and not included. ⁵ Transfer rate may vary. All performance specifications represent the typical specifications provided by HP's component manufacturers; actual performance may vary either higher or lower.

⁶ USB Type-C™ and USB-C™ are trademarks of USB Implementers Forum. ⁷ 7th Generation Intel® Core™ i processor or later required.
