

Print

HP Ink Tank 118 Printer

Easily print at high volumes for an extremely low cost per page,¹ with a reliable, spill-free ink system.³ Print up to 8,000 pages colour or 6,000 pages black,² and produce exceptional quality.

Reliable HP quality

- Count on dark, crisp text, time after time.
- Create borderless brochures, flyers, photos, and other documents that look great - right in your office.
- Count on high-quality prints time after time from the world's #1 printer vendor.⁴

More pages. Less money.

- Print thousands of pages with high-capacity ink tank system.
- Print up to 8,000 pages with a set of HP colour bottles or up to 6,000 pages with an HP black ink bottle.²
- Print at high volumes at an extremely low cost-per-page with this high-capacity ink tank system.¹

No mess or waste

- Easily refill your ink tank system with spill-free, resealable bottles.³
- Easily monitor ink levels and replenish Original HP Ink when you want.
- Transparent ink tanks allow you to print with confidence.

¹ HP ink bottles compared to HP ink cartridges. Cost per page based on expected black and composite (cyan/magenta/yellow) page yield results based on HP methodology and continuous printing of ISO/IEC 24712 test pages. Not based on ISO/IEC 24711 test process. Actual yield varies based on content of printed pages and other factors. Some ink from included bottles is used to start up the printer. For more information about fill and yield, see: hp.com/go/learnaboutesupplies

² Black and composite colour average per bottle (cyan/magenta/yellow) results based on HP methodology from the simulation of continuous printing of ISO/IEC 24712 test pages. Not based on ISO/IEC 24711 test process. The 2 included GT51XL black ink bottles are rated to print up to 7,500 test pages each, and are not available for separate sale. 2 GT51 or GT51XL black ink bottles are required to print 8,000 colour test pages. Actual yield varies based on content of printed pages and other factors. Some ink from included bottles is used to start up the printer. For more information about fill and yield, see: hp.com/go/learnaboutesupplies

³ When used in accordance with set up instructions.

⁴ Based on IDC's Worldwide Quarterly Hardcopy Peripherals Tracker®, 2016 Q4. For shipments all printing devices (inkjet printers, laser printers, copiers and multifunction devices, including production units).

Technical specifications

¹ Either after first page or after first set of ISO test pages. For details see: hp.com/go/printerclaims

² HP recommends that the number of printed pages per month be within the stated range for optimum device performance, based on factors including supplies replacement.

³ Dimensions vary as per configuration

⁴ Power requirements are based on the country/region where the printer is sold. Do not convert operating voltages. This will damage the printer and void the product warranty.

⁵ Up to 8,000 colour or 6,000 black pages included; Black and composite colour average per bottle (cyan/magenta/yellow) results based on HP methodology and continuous printing of ISO/IEC 24712 test pages. Not based on ISO/IEC 24711 test process. An additional black ink bottle is required to print 8,000 colour test pages. Actual yield varies based on content of printed pages and other factors. Some ink from included bottles is used to start up the printer. For more information about fill and yield, see hp.com/go/learnaboutsupplies

⁶ Available in selected countries only.
