

HP Roam for Business

The world is your office

Mobile professionals can now print at virtually any time, from virtually any location and device.¹ HP Roam for Business is a universal business printing experience that reshapes how innovative businesses print. You can replace traditional, printer-specific drivers with an intuitive print experience that is simple to use, is scalable, and provides a similar experience across desktop and mobile devices. Customer and company data are protected by advanced security features.

Print at public locations

HP Roam uses GPS to show nearby available printing spots, such as hotels, airports, and libraries.¹

¹ Printing at some public printing locations may incur extra charges.

² To enable HP Roam, all devices must be upgraded to FutureSmart 4 v4.6. FutureSmart 4 v4.6 will also enable automatic configuration of HP Jetdirect 3100w accessory, and manual configuration (via HP Roam mobile app) of RadBeacon USB accessory. A future version of FutureSmart 4 v4.x (release date unknown) will enable automatic configuration of RadBeacon USB accessory.
