1. Full High Definition (FHD) content is required to view FHD images. 2. Video over USB-C requires a PC with USB-C DisplayPort™ Alt mode or Thunderbolt™. Power delivery over USB-C up to 65 Watts. Refer to Power Output in product QuickSpecs for exact specifications, PC must be compatible with the display's power output. 3. VESA mounting hardware sold separately. See user guide for compatible PCs that can be mounted. 4. The display used in this image is not an HP EliteDisplay E243d Docking Monitor and is intended to only represent the swivel capability of the HP EliteDisplay E243d Docking Monitor. 5. EPEAT® registered where applicable. EPEAT registration varies by country. See www.epeat.net for registration status in your country.
