

Cyber Quotient Evaluation | CyQu

A Cyber Risk Assessment to reveal your most critical vulnerabilities and simplify risk mitigation strategies

The threat of a cyber attack is one of the most consequential risks facing your enterprise. Now, you can take the first step in understanding your cyber risk and begin to strengthen your risk posture sooner. In 90 minutes or less¹, CyQu provides a cyber risk maturity score and a clear path to reviewing and understanding actionable remediation strategies. Within 10 days, a detailed, custom report is provided by our cyber risk consultants to facilitate strategic decision-making and planning.

Identify Your Vulnerabilities

Understand how your risk posture measures up across eight critical control domains.

- Data Security
- Endpoint and Systems
- Physical Security
- Third Party
- Access Control
- Network Security
- Application Security
- Business Resilience

Benchmark Your Results

Leverage our industry-weighted target benchmarking to roadmap and set goals.

Share with Your Team

With the click of a button, collaborate cross-functionally within your organization to complete the assessment and review results.

Get Customized Recommendations

Within 10 days, our cyber risk consultants will send you a complete report with prioritized recommendations and risk transfer strategies designed to improve your overall risk posture.

Facilitate Your Ability to Transfer Cyber Risk

Use the information in conjunction with your broker to potentially facilitate the cyber insurance application process.

1. Completion time may vary by user/industry and complexity of your organization.
