

HP recommends Windows 10 Pro.

# VICTORYVR CURRICULUM OFFERINGS FOR K-12, POWERED BY HP EDUCATION VR SOLUTIONS

VictoryVR currently has 25 free\* experiences in four science units, including Earth & Space Science, Engineering, Life Science, and Physical Science for high school curricula. Explore in virtual reality with 48 field trips. For a high-quality immersive experience, run VictoryVR on HP VR Education Solutions.

## PAIR VICTORYVR'S CURRICULUM WITH HP'S ALL-NEW HMD

HP VR Education Solutions offer students everywhere, all-the-time access to the content, curricula, and collaboration they need to enable true learning, delivering meaningful outcomes for themselves and their communities. HP provides hardware, software, and services that enable dramatic improvements in student achievement while helping reduce the total cost of ownership.

VictoryVR's mission is to revolutionize education to the point that students right to be first in line for their opportunity to learn. Relying on the Next Generation Science Standards (NGSS) as our model, we are creating original, engaging, and informative content for every one of our science units. We currently have 24 middle school units and 24 high school units completed, with more learning experiences on the way.

Power VictoryVR experiences with the ultra-light, ultra-immersive HP Reverb Virtual Reality Headset Professional Edition that's changing the game. With 9.3 Megapixels combined panel resolutions, full RGB subpixel stripe, and an extended 114° field, seeing is believing.

More streamlined and more wearable, the HP Reverb VR Headset Pro Edition gives students deeper immersion and a natural viewing experience. Comfort features include soft, adjustable straps, a leather faceplate that's removeable and wipeable, and vents to keep heat and sweat down.

Create seamless, immersive experiences with adjustable and removeable headphones with built-in spatial audio, dual mics with smart assistant for convenient communication while collaborating, and integrated Bluetooth® for superb controller tracking.
