HP Canvas Paper 140 gram is an opaque one side coated, light yellowish white paper. Matte and slightly structured, this high-quality mould-made paper is ideal for realistic fine art reproduction.

benefits

- Designed for high resolution art reproduction
- Print side coated for excellent sharpness, optimal colour gradation
- Short drying time for full colour inkjet printing
- Smear and smudge resistant
- Brilliant colour reproduction
- Photo quality printing on art paper
- Compatible with uv and dye based inks
- Universal compatibility with all water based inkjet printers

Limitations: Although HP Canvas Matte is compatible with pigmented inks, it is not waterproof and not suitable for outdoor applications.

applications

- Presentations
- Art reproductions
- Portraits and much more
