Forward-looking, high-speed productivity

- Reclaim your time. Scan up to 60 pages per minute and 120 images per minute¹—even do two-sided scans.
- Easily manage scan jobs on the 8.07-inch HP Easy Select color touchscreen with Quick Set Profiles and included pullout keyboard.
- Do more with data, using multiple scan-to options—folders, FTP sites, email, USB drives, SharePoint®, and more.
- Expand capture capabilities and seamlessly integrate solutions through the hardware integration pocket.²

Outstanding content management, easy collaboration

- Count on high-volume performance, time and again—scan up to 5000 pages daily with minimal user intervention.
- Bring data to life with built-in OCR capabilities, then save scans in a variety of file formats, including editable text.
- Get fast results from single-pass scanning and HP EveryPage. Automatically remove blank pages.
- Manage big jobs with the 100-sheet automatic document feeder. Reliably handle scan jobs with mixed paper sizes and weights (up to legal size).

Digital sending security your business demands

- Scan and send documents without worry—the HP High-Performance Secure Hard Disk helps keep sensitive data safe
- Maintain security throughout the document lifecycle by enabling a variety of authentication options.
- Easily manage who can scan and where files can be saved, using advanced security features—including IPSec.
- Enable easy sharing of sensitive data when you create encrypted, password-protected PDFs.

Seamless management from the get-go

- Proactively and centrally manage the device with the rest of your imaging and printing environment with HP Web Jetadmin³
- Expand document management capabilities within your environment, using a rich array of easy-to-integrate HP and third-party solutions
- Redefine workflows and help reduce distribution costs, using optional HP Capture and Route or HP Flow CM Professional.⁴
- Create advanced, custom workflows across a variety of devices, from legacy digital senders to MFPs and the Scanjet 8500 fn1, using optional HP Digital Sending Software.⁵

HP EcoSolutions

- Save money and energy with this HP Digital Sender Flow that uses less than 1 watt of energy in Off mode.
- Designed with the environment in mind—made from 12% recycled plastic
- Mercury-free bulbs
