Supplemental Information:

The product herewith complies with the requirements of the RoHS Directive 2011/65/EU, the R&TTE Directive 1999/5/EC and carries the  marking accordingly.

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Additional Information:

- 1) This product is assigned a Regulatory Model Number which stays with the regulatory aspects of the design. The Regulatory Model Number is the main product identifier in the regulatory documentation and test reports, this number should not be confused with the marketing name or the product numbers.
- 2) This product uses a radio module device with Regulatory Model Number SDGOB-0892 as needed to meet technical regulatory requirements for the countries/regions where this product will be sold.
