The product herewith complies with the requirements of the EMC Directive 2014/30/EU, the Low Voltage Directive 2014/35/EU, the RoHS Directive 2011/65/EU and carries the  marking accordingly.

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Additional Information:

- 1) This product is assigned a Regulatory Model Number which stays with the regulatory aspects of the design. The Regulatory Model Number is the main product identifier in the regulatory documentation and test reports, this number should not be confused with the marketing name or the product numbers.
- 2) Telecom approvals and standards appropriate for the target countries/regions have been applied to this product, in addition to those listed above.
- 3) This product uses an analog fax accessory module with Regulatory Model Number BOISB-0703-00, as needed to meet technical regulatory requirements for the countries/regions where this product will be sold.
- 4) The product meets the requirements of EN 55032 and CNS 13483 Class A in which case the following applies: "Warning – This is a Class A product. In a domestic environment this product may cause radio interference in which case the user may be required to take adequate measures."
