## CERTIFICATE

No. Z1A 12 05 52878 044

**Model(s):** HSTNN-I08C, EliteBook 2570p

**Parameters:**

Rated input voltage:	1) 18.5 Vdc 2) 19.5 Vdc
Rated input current:	1) 3.5 A 2) 3.33 A
Protection class:	III
Max. ambient temperature:	35 °C
Degree of protection against ingress of liquids:	Ordinary
Sound Pressure level:	36.8 dB(A)
Declared Sound Power level:	4.9 B(A)

Remarks: 1. See attachment for LCD(s) covered by this certificate.

2. The equipment is evaluated for operating in altitude up to 3,048 m (10,000 ft) above the sea level.

**Tested according to:** EN 60950-1/A12:2011  
EK1-ITB 2000:2012  
ZEK 01.4-08/11.11

**Factory(ies):** 75263, 65256, 51351, 67835

**Attachment to the Certificate      No. Z1A 12 05 52878 044**

**The following LCD's panel description of the models are as below:**

1. Samsung                      Type: LTN125AT02
2. AUO                            Type: B125XW02

Suitable for Max. illuminance: 500 Lux

Pixel fault classification: I

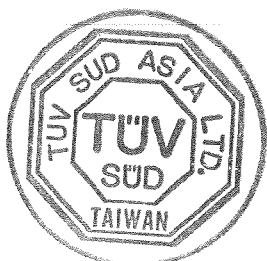

Design viewing distance: 500 mm

Design viewing direction: (0°, 90°)

Viewing direction range:  $\Phi$  range is 0° to 360°  
 $\theta$  range is 35.2°

Content and perception: Artificial information

**Date: 2014-11-27**
