HP Heavy Duty Cash Drawer

Models

HP Heavy Duty Cash Drawer

FK182AA

Introduction

Designed around a full-sized till, the HP Heavy Duty Cash Drawer has a narrow footprint, minimizing the amount of counter space required in your retail environment. There is ample storage in a deep under-till compartment to hold coin rolls and packaged bills. An adjustable media slot divider separates and organizes different sections for bills and various coin denominations.

Key Features and Benefits

- Robust construction designed to withstand the wear and tear of demanding retail and hospitality environments
 - Space-saving design to maximize counter space
 - Several localized till selections available for retailers
 - Four-function lock offering several levels of security: locked closed, locked open, online and manual open
 - Offers organizational options with the coin roll storage beneath the till and configurable media compartment that easily snaps in and out of place.
 - HP POS printer interface cable for easy connection to one of the HP POS printers (can also be connected directly to the integrated cash drawer port on the HP rp5810 Retail System)
-

Overview

Compatibility

The HP Heavy Duty Cash Drawer is compatible with the HP Point of Sale Systems and HP POS printers. The cash drawer can be connected directly to the HP rp5810 Retail System through the integrated cash drawer port. For all other HP Point of Sale Systems, the cash drawer must be connected via the provided interface cable through a HP POS printer.

NOTE: Not all HP Point of Sale System models or HP POS Printer models are available in all regions. Check with your HP Partner or Sales Representative for more information.

Third party printer models may require a 3rd party interface cable to operate with the HP Heavy Duty Cash Drawer.

Service and Support

Three (3) year limited warranty with advance exchange when purchased from HP. Additional HP Care Pack Services options are available to extend warranty coverage.
